KeyGuard Key Cabinet - 48 Key Hooks

Includes 4-Digit Combination Lock with Key Override

PRODUCT DATA SHEET

Includes 7832 Comb-Cam Ultra 4-dial combination lock with key override.

FEATURES

- **Size:** Provides hooks for up to 48 keys or key sets.
- **Keyless Security:** Secures all of your keys, without a cabinet key that can be lost. High security combination tumblers. Heavy duty metal construction.
- **Organized:** Quickly find your keys or key fobs in a lock box key safe. Only people you want to access your keys will know the combination.
- **Pick-Resistant:** High security dials make it very hard to pick the lock.
- **Unique Combinations:** 10,000 possible combinations. Includes key override feature.
- **Indoor & Outdoor:** Constructed from non-ferrous material, making it corrosion-resistant and able to perform in any environment.
- **Durable:** Heavy-duty 16-gauge steel cabinet. Continuous piano hinge and steel hooks. No plastic that can break.
- **Multi-Key Storage:** High capacity with 48 hooks.
- **Color-Coded Key Tags:** Makes multiple key organization and identification easy.
- Comes with 24 colored tags: blue, red, black, and yellow
- Colored tags have a label like hanging file folders. Easily remove labels and add a new one. Includes replaceable Avery labels to print tidy key tag labels.

Typical applications: Car repair shops, hotels, valet services, public buildings & facilities, commercial & industrial buildings, government & military facilities, retail & strip malls, or even large families for house keys, car keys, shed keys, etc.
