FALCON ■ LCN

Allegion's big investments in the industry-leading LCN brand are paying off in three big ways for you

1. Improvements to our LCN cast iron line mean our durable closers just got even better.

Through investment in state-of-the-art equipment, processes and people, we believe LCN will continue to provide the best solutions for our customers.

2. Three LCN cast aluminum door closers offer high-quality, cost-effective solutions.

We are redefining the aluminum closer market. These products offer the alternative solutions and competitive prices our customers have been asking for, with the most common hole patterns in the industry.

3. A total of nine Allegion closers offer a real solution for every need and budget.

With three LCN cast iron and three LCN cast aluminum closers, as well as three value-priced Falcon models, Allegion provides customers with a comprehensive portfolio of high-quality, proven brands. Allegion offers a one-stop shop for an entire opening or an entire building. Customers can feel confident that they have the right product for the right application, with knowledge to install and be code compliant - all designed with the safety and security they expect.

It all adds up to a complete line of door closers with reliable solutions for any application!

Additional door control product series and systems

- Concealed closers
- Fire/life safety closer/holders
- High security closers
- Automatic operators and accessories

All LCN door closers have the following certifications: Grade 1 – ANSI A156.4, UL/cUL (where applicable), ADA, 100 Hour salt spray. Meets BAA – Buy American Act.

About Allegion

Allegion (NYSE: ALLE) is a global pioneer in seamless access, with leading brands like CISA®, Interflex®, LCN®, Schlage®, SimonsVoss® and Von Duprin®.
