LIMITED RELEASE FINISH EXPANSION

Pewter, Matte White, Satin Rose Gold

PEWTER

Keeping in line with emerging trends in furniture and lighting, we are expanding our moody, dark metallic Pewter finish to the Emtek Select Lever product category to provide a trend-forward “gunmetal” gray option. This classic and timeless matte gray look is made modern in more contemporary silhouettes.

MATTE WHITE

Perfect for both blending in or standing out, Matte White’s European influence can smoothly meld with a monotone backdrop, but works equally well when paired as a pop of contrast to a black door or a neutral interior.

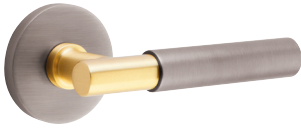

SATIN ROSE GOLD

Inspired by trends in jewelry, Satin Rose Gold introduces an element of extravagance when paired with contemporary product profiles. This impactful color plays well with a range of texture options within the Emtek Select program, and can also be mixed and matched with other metals for a luxurious look.
