CUSTOM

With a dedicated, in-house Customs Team, Hubbardton Forge is able to work directly with you to provide the right lighting solution for your needs. Designers, engineers, prototype & tooling, manufacturing...it's all under one roof in Castleton, Vermont. What does that mean for you? We can quickly turn around a request with unsurpassed quality control and reliable lead times. And you can be sure that you'll receive a high-quality final product, with your own personal stamp on it. Inspired by one of our existing products, but need it longer, shorter, wider, taller? Talk with us. We're the experts at modifying a design to give you the customization that you require. Design through delivery, we offer exceptional service and a streamlined process—ensuring your made-to-order piece is on-time and on-budget.

DESIGN COLLABORATION

With designers, engineers, makers, metalcrafters, finishers and more, all under-one-roof, we are able to meet your needs at every level. And, our Vermont based team will stay in communication with you from concept through delivery.
