Gatz

Create a sensation with the flick of a switch. The Gatz chandelier is the epitome of elegance and glamour. The multiple fluted glass shades and metal finish are lovely by day but stunning at night. You can add sparkle throughout your space with other lights from the collection.

Station

The Station pendant could be the mid-century modern accent your kitchen or dining room is dying for. True to the style's minimalist approach when accessorizing, the Station pendant is still a modern showstopper with its wide light shade, clean geometry, and simple yet compelling design. Savor the return to retro with Hunter's Station lighting collection.

Fair Oaks

Jasmine
Roth
+
Hunter

Incorporating elements of the "vintage greenhouse" style, the Fair Oaks Lantern Pendant exudes classic delicacy with an effervescent glow. The distinct sharp, geometric lines of this piece work in concert with the soft light it casts, making it a perfect addition to kitchens and dining rooms.

New Finish!

Hepburn

This light is the star of your show. The Hepburn collection is known for its stunning old Hollywood style and the new Hepburn 16-inch pendant is another star on the Hepburn walk of fame. The signature cased glass orb floats above you emanating a lovely soft glow of light.
