New Amber Glass Finish!

Vidria

Minimal design can often have the biggest impact. The soft curves of the Vidria pendant light's vase shaped glass is simple yet stunning for dining room, foyer, or kitchen island lighting. Designers thoughtfully created a modernist effect in the Vidria, giving this grand pendant glass the appearance of floating above the light bulb.

Perch Point

Need the beauty of an escape to the mountains? Create that feeling right at home with the Perch Point collection. The basket-shaped curve of the metal chandelier adds a modern, rustic touch that evokes the feeling of a weekend retreat. It will create an inviting ambiance in your living or dining room.
