## Sustainability

Allegion can provide sustainability documentation for select products, ensuring transparency and adherence to environmental standards and building certification programs such as LEED and Living Building Challenge. This documentation includes detailed information on the sustainable practices and materials used, helping you make informed decisions that align with your sustainability goals.

To view the full list of products with declarations, please visit: <https://us.allegion.com/en/resources/sustainability.html>

Policies and documents

The purchase of Allegion products is governed by the Allegion Authorized Seller Program. For program terms and conditions, and other program details, please visit:  
[www.allegion.com/AuthorizedSeller](http://www.allegion.com/AuthorizedSeller).

For Warranty information, visit [us.allegion.com/warranty](http://us.allegion.com/warranty) or contact Customer Service at 877-671-7011.

BAA/TAA

For a list of available BAA/TAA compliant products, please contact your local RSO or Customer Care at 877-671-7011.

HOW TO USE THIS BOOK

Information contained in the list price table:

**Model/Description:** Column contains model number, description and additional prefix for other distinguishing features or packaging type.

**Substrate:** Column contains material substrate information (i.e. Aluminum, brass, steel).

**Packaging type prefix SP** = Slim pack.

**Item Number:** Item number field is UPC number or SKU number, where available.

**Weight:** Contains the total weight of product in box quantity. Not all weights shown.

**Order Quantity:** Contains the minimum order quantity for identified product, if required.

**Box Quantity :** Number of items in master carton or special package type.

**Markings Cartons:** Markings (e.g., door locations, stock reference numbers) on individual product cartons will be provided with no charge.

Products available to mark include the following:

|                      |                                         |
|----------------------|-----------------------------------------|
| Architectural hinges | Push/Pull plates                        |
| Continuous hinges    | Protection plates                       |
| Pivots               | Coordinators                            |
| 8000 Series pulls    | Vandal resistant trim                   |
| Flush bolts          | 9000 Series Push bars/pull combinations |

## IVES QUICK SHIP STOCKED OFFERING

Ives Quick Ship stocked offering includes over 600 of our most popular accessories that will typically ship in 3 business days or less through our standard order process. Choose from our broad list of hinges, pivots, door pulls, protection plates, door stops, and much more.

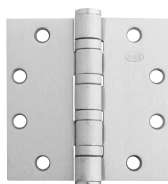

All Quick Ship stocked items are noted throughout this price book. Simply view the stocked column at the top of the page and a “.” denotation per item.

### To place an order for Quick Ship

Order via the standard ordering process and submit only quick ship items on your purchase order. Purchase orders that contain a mix of standard product and Quick Ship items will continue to follow existing customer account preferences (ship complete or ship partial). Made-to-order products will continue to ship within standard lead times.

### For more information

Visit [us.allegion.com/ivequickship](https://us.allegion.com/ivequickship) for the list of the offering and frequently asked questions.

## IVES STANDARD LEAD TIMES

Made-to-order products will have a standard lead time of 2-3 weeks unless otherwise noted. See product pages for special exceptions.

Access the Allegion product lead time report for additional lead time information accessible in the 360 Portal at [360portal.allegion.com](https://360portal.allegion.com) or contact your local sales representative for additional information.

Online ordering is available through Overtur<sup>™</sup> Estimate and Order (OEO)

Visit <http://360portal.allegion.com> to get started or email [Online.Ordering.Access@allegion.com](mailto:Online.Ordering.Access@allegion.com) to sign up.

OEO offers much more than placing online orders including:

- Provides net price for direct customers and list price for indirect customers, integrator partners and end-users
- Online Ordering for direct customers
- Automated price updates
- Ability to export price lists and cross-reference guides in Excel
- Configuration and configuration reports, including e-lock configurations
- Request a quote or quote revision from an estimate
- Keying Guide
- Library pre-built hardware sets

How to get it:

1. Login or register at <http://360portal.allegion.com>
2. Find the Estimate and Order Icon and follow the instructions to request access
3. The Online Ordering team will begin working on your access with your Allegion Sales Representative

### Traditional ordering methods:

## Custom finishes

Optional powder coat finishes are available on many Ives products. To have a specific color matched and to determine powder coat availability, please contact:

TIGER Drylac U.S.A., Inc.  
3945 Swenson Ave  
St. Charles, IL 60174  
800-243-8148  
[www.tiger-coatings.us](http://www.tiger-coatings.us)

Powder coat must be selected from Tiger Drylac Series 38 or 49. Please specify both the full powder coat product number and the RAL number when placing your order.  
Example: 49/15320 RAL 1015

## Standard cutout locations

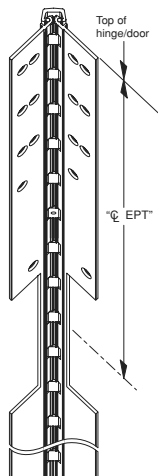

- Consult factory for custom locations
- Specify location from **top edge of door to centerline of cutout**
- TW8 location cannot be moved

| STD LENGTH | EPT | TW8       |
|------------|-----|-----------|
| 83"        | 30" | 43-19/32" |
| 85"        | 32" | 45-17/32" |
| 95"        | 42" | 55-17/32" |
| 120"       | 67" | 80-17/32" |

## Optional mounting hardware

- Consult factory for custom locations
- Specify location from **top edge of door to centerline of cutout**
- TW8 location cannot be moved.

## Standard cutout locations

- Consult factory for custom locations
- Specify location from **top edge of door to centerline of cutout**
- TW8 location cannot be moved
- If top edge of door to top of cutout location measurement is provided, 4-5/8" will be added to the EPT cutout location to obtain the top-to-center measurement required

See next page for long pull options pricing.

See page 46 for optional mounting types and pricing.

Note: A middle position bracket is required for pulls over 8 feet.

CAUTION: Recommend the length of the ladder pull should not exceed 4" less than the door height.

See next page for long pull options pricing.

See page 46 for optional mounting types and pricing.

Note: A middle position bracket is required for pulls over 8 feet.

CAUTION: Recommend the length of the ladder pull should not exceed 4" less than the door height.

# HOW TO PRICE PROTECTION PLATES:

1. Look to see if the desired plate is in the Stocked table. If it is, use this price shown.
2. If the plate is not a stocked plate,
  - a. Determine the hundred square inch size using the Door Plate Hundred Square Inch Sizing Chart below. If ordering in increments not shown on the chart, use the next larger size (height and/or width) shown in the chart.  
Example: For a 6-1/2" x 33-1/2" plate, use 8" x 34" = **2.72 sq. inches**
  - b. Determine the list price for the height of plate and desired finish from the 8400 Protection Plates table.  
Example: For a 6-1/2" height plate in 630 (US32D) finish, use Under 8" column = **\$34.20**  
For base plate pricing, multiply square inch size from part a) x the list price from b).  
Example = 2.72 sq. inches x \$34.20 = **\$93.00**
3. If any options are desired, then add the list add per plate pricing to the base plate pricing.  
For a 8402 8" x 34" US32D TK-TX, use the following:  
Example = 2.72 sq. inches x \$30.20 (base price) + \$34.00 (for UL) + \$23.00 for TK-TX) = **\$139.15**

## 8400 Protection Plates (Kick plates must be ordered in 1/2" increments)
