

# MOEN®

ACCESSORIES PRICE AND STYLE GUIDE

MOEN®

Transforming and creating a meaningful difference in your personal experience with water.

---

At Moen®, we've spent decades revolutionizing the way people experience water at home.

From the historic invention of the first single-handle mixing valve to the only faucet you never have to touch, every innovation is born at the intersection of form and function.

But Moen is more than a faucet company; we're a water experience company that happens to make faucets. With 1.5 trillion gallons of water flowing through our products every year in the U.S. alone, our responsibility isn't only to you, but to water itself.

That's why we continue to differentiate ourselves through innovation, expertise and our brand purpose. Because it's not enough to be a brand you buy into; we need to be a one you believe in.

# PRODUCT TERMS

## ADA Compliant

Meets Americans with Disability Act requirements for the physically challenged.

## LifeShine® Finish

Faucets featuring our LifeShine finish will not tarnish, corrode or flake off. LifeShine finish not available on accessories or lighting.

## Limited Lifetime Warranty

Most Moen faucets come with a Limited Lifetime Warranty against leaks, drips and finish defects. For complete details, call 1-800-BUY-MOEN or visit us at [moen.com](http://moen.com).

## Pivoting Paper Holders

Many Moen paper holders feature an innovative, spring-free design that makes changing the roll quick and easy. Simply lift the arm, insert the roll and set the arm back into place. The pivoting arm remains attached so there's no spring to lose and no extra parts to drop.

## Pro-Fit™

The Pro-Fit Installation System is a single-screw mounting system that uses a pre-attached hollow wall anchor for a fast and solid installation. This eliminates the hassle of set screws with a simple locking tab that holds Pro-Fit posts firmly in place. Visit [moen.com/professional](http://moen.com/professional) for installation videos.

## SecureMount™

SecureMount anchors allow for an easy grab bar installation with no studs required anywhere on the wall. This means you can place grab bars exactly where you want, resulting in a safe and stylish look in the bath.

## Spot Resist™ Finish

Spot Resist does just what it says—resists fingerprints and water spots. This innovative finish maintains the brilliance of your kitchen faucets to help you spend more time enjoying your home and less time cleaning it.

---

**Moen Bath accessories CANNOT be combined with Moen faucet parts on a Purchase Order.**

A line of matching accessories - including tank levers and towel bars - allow for a completely cohesive look in the bath.

List price is per each (unless otherwise noted). Product can be ordered by case quantity or individually. For more information on ordering bath accessories, contact Moen Bath Accessory Customer Service at **800-882-0116**, contact your local Moen sales representative, or visit us at [www.moen.com](http://www.moen.com).

All Moen lighting fixtures are UL listed for U.S. and Canada. Bulbs are not included. Please consult spec sheets for individual item details.

MISSION  MOEN.

# Preserving the World's Most Precious Resource

## OUR PROMISE TO THE WATER OF TOMORROW

**Mission Moen® is our pledge to conserve and protect the world's most precious resource while helping people enjoy it even more.**

It's our promise to the water of tomorrow and the guiding principle behind our innovation and design. And importantly, it's an invitation for consumers to join us. To reconsider the immeasurable value of water and make simple choices that treat it with the care and reverence it deserves.

By 2030, our innovations will help consumers save 1 trillion gallons of water, and our intentional design and engineering will help repurpose 2,000 tons of ocean plastic.

Because water designs our life, and together, we can keep it that way.

Want to learn more? Visit [moen.com/mission-moen](https://www.moen.com/mission-moen).

# Matching Accessories

Revitalize your daily routines and enhance your bathroom's aesthetic with versatile design solutions from Moen®. Unleash your creativity and craft a blissful escape that looks beautiful and works beautifully.

## FINISH OPTIONS

Chrome (CH), Brushed Nickel (BN)

▲ Retail product for all SKUs. LR2356D retail product for Chrome finish only.

### SECUREMOUNT™

SecureMount™ Anchors allow for easy and secure grab bar installation on a variety of substrates with no studs required.

Anchors sold separately. See page 106 for details.

# SECUREMOUNT™ SYSTEM

## FINISH OPTIONS

Chrome **(CH)**, Old World Bronze **(OWB)**

### Product Details:

- 300 lb. weight capacity when securely installed per instructions. Limited Lifetime Warranty. Independently tested by CSA and NAHB laboratories to exceed ADA, ASTM, ANSI and CSA standards.
- Mount securely to a variety of substrates\*:  
 1/2" or 5/8" drywall  
 1/2" or 5/8" drywall with tile  
 1/2" or 5/8" drywall with marble  
 1/8" or 1/2" fiberglass tub surround

Not all platforms available in all finishes.

## SecureMount Anchors and Plates

1 Pair Pack  
SMA1000 | 🌐

10 Pair Pack  
SMA1001 | 🌐

## SECUREMOUNT™

### SecureMount System

The SecureMount System is the ultimate choice in easy, secure grab bar installation.

### SecureMount Grab Bars

The unique flange makes it easy to connect to the stud at multiple points, at any angle.

### SecureMount Anchors

Precision-engineered for optimal bracing behind the wall, SecureMount Anchors allow for easy grab bar installation—with no studs required—anywhere on the wall.

16" grab bars can typically mount directly into studs because the standard stud size is 16" on center. 18", 24", 36" and 42" grab bars will often need an anchoring system when mounted into drywall, as an alternative to stud or wood-block installation.

## SECUREMOUNT ANCHORS

BRONZED  
GOLD  
(BZG)

NEW

### BRONZED GOLD

A soft, warm gold that blends seamlessly with various design styles.

SPOT RESIST  
STAINLESS  
(SRS)

### SPOT RESIST™ STAINLESS

Semi-matte finish that melds seamlessly with a variety of aesthetics while resisting fingerprints and water spots.

OIL RUBBED  
BRONZE  
(ORB)

### OIL RUBBED BRONZE

Combines dark, burnished tones with golden-hued accents for a striking old-world style.

BRUSHED  
NICKEL  
(BN)

### BRUSHED NICKEL

Adds warmth to a space with classic brushed tones that translate to both traditional and more modern looks.

**MATTE BLACK**  
A bold and dramatic finish that takes your room to new depths, heightening both classic and contemporary designs.

# A Finish for Every Style

**BRUSHED GOLD**  
Pairs lush, warm hues with a matte metallic appearance to complement any style.

**CHROME**  
More like a mirrored surface than a color. Super-polished and cool-toned to the point of glistening for an enduring look.

**BLACK STAINLESS**  
Classic stainless with a contemporary twist. Versatile to blend with other appliances in this color palette.

**POLISHED NICKEL**  
Elegant, metallic look that brings sophistication and refinement to a space.

# PRO-FIT™ INSTALLATION SYSTEM

The three-step Moen® Pro-Fit Installation System is the simple, most innovative way to mount bath hardware and accessories. Installation is as easy as 1-2-3.

## Pro-Fit Installation Template

The Pro-Fit Installation System eliminates set screws for faster, easier mounting. There's even a template with a built-in level.

## Step One: Drill It

The innovative template has a built-in level for accurate drilling of pilot holes for both 18" and 24" towel bars and paper holders.

## Step Two: Screw It

The single-screw mounting system creates a fast and solid installation with minimal damage to walls.

## Step Three: Click It

The locking tab clicks to hold the post firmly in place and eliminates the need for a set screw.

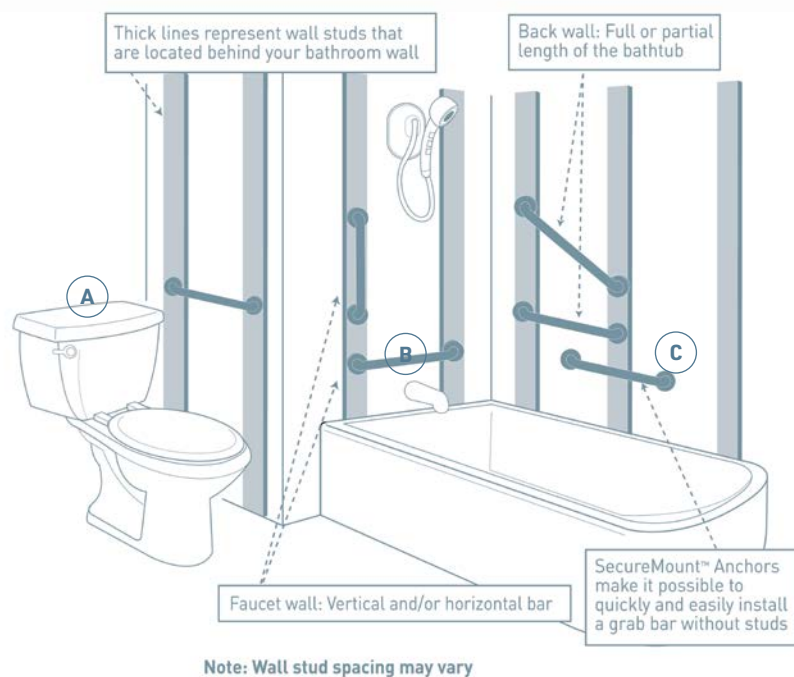

---

## IT REALLY IS THAT SIMPLE

Plus, we've eliminated the set screw. Designed with input from professional installers, the Pro-Fit Installation System was made for faster installation and fewer callbacks. And of course, there's the extra assurance of quality that comes with the Moen brand. Visit [moenpro.com](http://moenpro.com) to view online installation videos.

PRO-FIT INSTALLATION TEMPLATE: **YB8081**

# Grab Bar Guide

## HOW MANY GRAB BARS DO I NEED AND WHERE SHOULD THEY BE INSTALLED?

Health professionals typically recommend three grab bars in a bathroom:

- A** At least one near the toilet
- B** At least one along the showerhead wall or whichever end of the tub/shower you use to enter/exit
- C** At least one along the back wall in the bathtub or shower

## WHO SHOULD USE GRAB BARS?

Everyone! People of all ages and abilities can benefit from using grab bars.

## WHAT CAN A GRAB BAR DO?

- Reduce risk of falling in the tub or shower
- Help steady yourself while getting into and out of the bathtub or shower
- Assist in safely lowering and raising from a seated position

## THINGS TO CONSIDER WHEN SELECTING A GRAB BAR(S):

- **Length:** Select a grab bar that is the suitable length for your bath or shower area.
- **Weight Capacity:** Choose a grab bar that at least meets ADA requirements (250 lbs.); SecureMount™ Grab Bars have a 500-pound weight-pull capacity that exceeds ADA requirements (when securely installed into studs).
- **Installation:** Grab bars that feature SecureMount™ have a design that allows for secure installation into a stud or wood backing at any angle. When using SecureMount™ Anchors, there is no need for installation into a stud or wood backing.
- **Grip Surface:** Consider a grab bar with a textured surface or grip feature that provides a better hold in a wet bathroom environment.
- **Finish:** Consider a grab bar that matches your faucet and other fixtures.

Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Moen® reserves the right to make product specification changes from time to time, without notice or obligation, and to change or discontinue models.
