

MOEN®

MOEN

Transforming and creating a meaningful difference in your personal experience with water.

At Moen®, we've spent decades revolutionizing the way people experience water at home.

From the historic invention of the first single-handle mixing valve to the only faucet you never have to touch, every innovation is born at the intersection of form and function.

But Moen is more than a faucet company; we're a water experience company that happens to make faucets. With 1.5 trillion gallons of water flowing through our products every year in the U.S. alone, our responsibility isn't only to you and water itself.

That's why we continue differentiating ourselves through innovation, expertise, and our brand purpose. Because it's not enough to be a brand you buy into; we need to be one you believe in.

MISSION  MOEN.

Preserving the World's Most Precious Resource

OUR PROMISE TO THE WATER OF TOMORROW

Mission Moen® is our pledge to conserve and protect the world's most precious resource while helping people enjoy it even more.

It's our promise to the water of tomorrow and the guiding principle behind our innovation and design. And importantly, it's an invitation for consumers to join us. To reconsider the immeasurable value of water and make simple choices that treat it with the care and reverence it deserves.

By 2030, our innovations will help consumers save 1 trillion gallons of water, and our intentional design and engineering will help repurpose 2,000 tons of ocean plastic.

Because water designs our life, and together, we can keep it that way.

Want to learn more? Visit [moen.com/mission-moen](https://www.moen.com/mission-moen).

MOEN

Smart Water Network

Water is the most important resource in our homes, flowing through a vast network of pipes behind the walls of your home. Elevate and protect your experiences with the water running throughout your life with the Moen® Smart Water Network.

The Moen Smart Water Network is a collection of smart products, brought together in a single, integrated app, to give you unprecedented control over how you experience water in your everyday life. It's not technology for technology's sake. It's innovation that makes your life simpler, easier and brings you peace of mind.

Smart Water for a Smarter Home

All of Moen's smart water products, working together through Moen's Smart Water Network, are designed with one thing in mind: to elevate the experience you have with water inside and outside of your home.

SMART IRRIGATION

Effortless outdoor watering, all from the palm of your hand. The Smart Sprinkler Controller and Smart Wireless Soil Sensors offer automated and customized outdoor watering routines, adapting to the unique needs of each lawn—and bring the power of Moen's Smart Water Network to the area of the home where water is used most.

SMART CUSTOMIZABLE WATER

Your water, your way. From dialing in the perfect 102° F for your morning shower, to using your voice to dispense exactly 2 tablespoons of water or selecting the water temperature and flow rate with just the swipe of a hand, Moen's Smart Shower and Smart Faucets make it simple to personalize your every interaction with water.

SMART WATER SECURITY

Whole home leak detection and prevention with Moen® Smart Water Security. With the power to reduce annual household water wasted by 90% or more, Smart Water Security products monitor your home's water to help prevent leaks and costly water damage, while also tracking your water usage to identify opportunities to conserve.

Customized Control and Convenience

The Moen® Smart Water Network simplifies your life and gives you peace of mind by creating a deeper connection with the water in your home. Control and customize all interactions with water to elevate your experiences to a level that has never before been possible.

SMART FAUCET

For the busiest room in your home, Moen Smart Faucets use touchless technology and voice control to make life easier in the kitchen.

SMART SHOWER

Never again will you have to walk into a shower that's too hot or cold. Create a customized showering experience to meet your exact needs.

FLO SMART WATER MONITOR AND SHUTOFF

The Smart Water Monitor and Shutoff is installed on a home's main water supply line and connects to the Moen Smart Water App so you can receive notifications and control your home's water from anywhere at any time.

SMART LEAK DETECTOR

The Smart Leak Detector is a standalone sensor that can be placed anywhere in a home to alert you when and where it detects moisture to help prevent water damage and loss.

SMART SUMP PUMP MONITOR

The Smart Sump Pump Monitor gives you peace of mind by monitoring your sump pump's performance through connected, smart technology that provides 24/7 alerts of potential failure or flooding issues before it's too late.

SMART SPRINKLER CONTROLLER

The Moen Smart Sprinkler Controller offers simple, intelligent and affordable control over home irrigation systems. Enjoy automated and customized outdoor watering routines using the Moen Smart Water App.

SMART WIRELESS SOIL SENSOR

Once inserted flush into the ground, Smart Wireless Soil Sensors measure the soil moisture and temperature. Measurements are communicated to the Moen Smart Sprinkler Controller to automatically adjust a zone's watering schedules as needed.

Tap Into Your Whole Home's Water

The Moen® Smart Water App allows you to connect to the water flowing through your home like never before, activating the full potential and automation of your Moen smart water products. The app provides the ultimate peace of mind by giving users complete control over their water from anywhere at any time. You can even track water usage to enhance conservation efforts and monitor for potential issues before they become a problem.

MOEN SMART WATER APP

The free iOS/Android™ Moen Smart Water App is easy to set up and allows you to control all of the features and benefits of the products in your Moen Smart Water Network from customized settings and personalized presets to monitoring water usage and automatic shut off.

TRACK WATER USAGE

See your home's total water usage by device in the Moen Smart Water App, so you can know when and where water is being used.

WATER SECURITY

Monitor your water, detect leaks in your pipes 24/7 and automatically shut off your entire water supply before a catastrophic leak damages your home.

CUSTOMIZATION AND PERSONALIZATION

Further enhance your relationship with water throughout your home by creating preferred settings and presets for a completely personalized experience.

WHOLE HOME MONITORING

Monitor, track and control the entire water supply system throughout your home.

NOTIFICATIONS AND ALERTS

Receive real-time alerts through the app, a text or even phone call, so you can take immediate action to address potential issues.

ACHIEVE WATER SAVINGS

The Smart Water Network automates home water conservation. Embrace sustainability using the Flo Smart Water Monitor and Shutoff for automated water security and achieving conservation goals. Set outdoor watering routines with the Smart Sprinkler Controller and optimize water use with the Smart Faucet for effortless savings and elevated experiences.

SMART CUSTOMIZABLE WATER

SMART FAUCET WITH MOTION CONTROL

The Moen® Smart Faucet with Motion Control makes life easier and completely touch free in the kitchen. The advanced sensor technology allows touchless operation of both the temperature and water flow by using simple hand motions, while the voice-activated and app-based features give you additional control and personalization.

Collections

Nio™ | Tenon™ | Weymouth® | Sinema™ | Paterson™
Smyth™ | Cia™ | KURV™

Reference Kitchen and Bar section for product details beginning on page 32.

SMART FAUCET

The Moen Smart Faucet makes life easier in the kitchen. Achieve precise volume and temperature control with your voice or a tap of the app; turn water on/off with the wave of your hand; or simply use the handle. Plus, with a wide range of styles and finishes, it's a beautifully practical addition to any home.

SMART CUSTOMIZABLE WATER

SMART SHOWER CONTROLLER AND DIGITAL VALVE

The Smart Shower is a Wi-Fi enabled, digital shower that offers mobile connectivity and unmatched personalization, providing you with countless ways to create your ideal showering experience. You can control the shower in three ways: voice control through smart speakers, the U by Moen® Smart Shower App and the digital shower controller. Within the app, you can create up to twelve presets including name, greeting, outlets used, temperature, timer and notifications. Additionally, the “warmup and pause” feature activates the shower to warm up to your exact temperature and then pause the water flow until you’re ready to get in, helping to reduce unnecessary water waste. With the Moen Smart Shower, your perfect shower is just a tap or voice command away.

SMART WATER SECURITY

FLO SMART WATER MONITOR AND SHUTOFF

Reduce your risk of water leaks and damage with the Flo Smart Water Monitor and Shutoff. The device monitors the flow rate and pressure of your home's water and tracks total home water usage, allowing the intelligent system to detect leaks as small as a drop a minute anywhere in your home. Plus, it can automatically shut off the water before a catastrophic leak occurs.

Shutoff	NPT Spacer Kit	CC Spacer Kit
0.75" 900-001*	0.75" 930-001	0.75" 930-002

SMART IRRIGATION

SMART SPRINKLER CONTROLLER

The Moen® Smart Sprinkler Controller offers simple, intelligent and affordable control over home irrigation systems—all accessible from the Moen Smart Water App. Eliminate the guesswork in managing sprinkler routines with the controller's unique features that automate watering and ensure lawns and landscapes get water where it's needed, only when it's needed—helping to reduce water waste.

8-Zone Controller

WICNT008G1USA

16-Zone Controller

WICNT016G1USA

SMART WIRELESS SOIL SENSOR

Moen Smart Wireless Soil Sensors pair with the Moen Smart Sprinkler Controller to intelligently optimize and automate in-ground home irrigation systems. By monitoring the moisture and temperature levels of the soil, the sensors ensure just the right amount of water is used—where and when it's needed most—to ensure a healthy and lush landscape. Just set and forget.

WISNS002G1USA

SMART SPRINKLER CONTROLLER OUTDOOR ENCLOSURE

The Moen Smart Sprinkler Controller Outdoor Enclosure securely houses the Moen Smart Sprinkler Controller to protect the device in outdoor installation settings. The water-tight enclosure is made of high-grade plastic and is certified for outdoor electrical systems to ensure it can withstand outdoor weather conditions and keep your controller protected and running uninterrupted.

MODERN DESIGN

Bold Statements with Subtle Elegance

**FUNCTIONALITY WITH
BEAUTIFUL DESIGN**

Meant to create order and calm, the
Cia™ faucet joins rectangular and
cylindrical elements with a high-arc
spout for a stunning look.

Geometrical shapes add an
artful touch and clean whites
accentuate matte black and
metallic finishes.

SMOOTH FORMS REDEFINING MODERNITY

The graceful D-shaped spout was carefully crafted to present the water in a flat, thin silky ribbon to continue the clean lines of the faucet's smooth, wide form.

Modern styling is about clean
and simple lines reduced to
their simplest form.

FRESH AND FLEXIBLE STYLE

The mid-century-inspired horizontal line of the handles and low spout of the Greenfield™ collection, combined with distinct beveled edges and cylindrical, double-stacked bases offer visual cleanliness.

Transitional design balances modern and traditional styles so you can enjoy the perfect blend of contemporary and classic elements in your home.

**A SOPHISTICATED
SENSE OF LUXURY**

Sinema™ embodies the ethos of transitional style by presenting as a sleek modern style paired with the detailing of art deco glamour.

Apply a brushed gold finish to a visually clean silhouette to find a design sweet spot.

TRANSITIONAL DESIGN

A Perfect Blend of Contemporary and Classic

**DECORATIVE AND
DISTINCT DETAILING**

A sleek lever-handled wall-mounted widespread faucet provides a quiet confident elegance for a tailored traditional bathroom.

TRADITIONAL DESIGN

Classic Charm with Lasting Appeal

Traditional designs are timeless for a reason—these classic elements give your home an elegant yet familiar feel.

CELEBRATE TIMELESS ELEGANCE

Elegant, traditional design details and distinctive finishing touches present a sense of uncommon luxury in the Weymouth® collection.

Distinctive accents include porcelain inlays that feature Euro-influenced decorative script and signature styling elements to make an extravagant statement.

Kitchen and Bar

Your kitchen is an extension of you. Whether you are an avid at-home chef or a take-out connoisseur, Moen® offers faucets with the best style, smarts and technology to enhance every experience at the sink. With diverse finish and installation options, you can perfectly curate your kitchen to your unique lifestyle and routine.

Tenon® Smart Faucet with Motion Control | S74001EV2

Clean, Calming Details

The Tenon™ collection provides a soft modern design that adds a touch of warmth to the kitchen. The clean lines and calming details create a sense of peacefulness that blend harmoniously with any aesthetic. Tenon is available in a mechanical pulldown, Smart Faucet with Motion Control and pulldown bar faucet allowing you to experience the best in style and innovation, depending on how you utilize your kitchen.

NATURAL CUSTOMIZATION

Influenced by textures and natural elements, each Tenon faucet comes with a finish-matching handle and a teak wood handle option to mix textures and add an element of customization. The natural wood finish further softens the modern design and creates a sense of peacefulness.

SEAMLESS DESIGN

Tenon faucets all include an integrated pull-down spray wand that nests neatly inside the spout. The concealed design enables users to enhance their experiences with water through great style and innovation, as it provides additional functionality without disrupting the clean aesthetic.

COHESIVE KITCHEN

The Tenon pull-down bar faucet brings a touch of warmth to the modern kitchen. With a smaller stature, it is perfect for bar or prep sinks and coordinates perfectly with the Tenon kitchen faucet for a cohesive look throughout the space.

Soft Modern Design for a Clean Aesthetic

Embracing a serene and comfortable form, the new Tenon™ kitchen faucet collection epitomizes Japandi style. By merging Scandinavian simplified design with Japanese textures and natural elements, Tenon brings a sense of peace to modern living spaces. The soft, sweeping double arcs on the spout, combined with organic and symmetrical shapes and a teak wood handle, create an approachable, contemporary elegance that stands out at the sink.

Embrace Japandi style by combining a neutral palette with mid-tone wood textures to add a touch of depth and warmth that harmonizes living spaces.

NIO™

Modern and streamlined, Nio will become the focal point of your kitchen with its sleek design and tall stature.

Water Filtration

Moen® is continuing to enhance the experiences you have in the home with new, comprehensive water filtration solutions that allow you to enjoy every sip right from your kitchen sink. Filtration options include both under-sink systems and above-deck faucets that elevate style and functionality while allowing you to customize your system to meet your exact needs and preferences. Moen water filtration products can remove potentially harmful contaminants from your tap water and are better for the environment by helping to reduce plastic waste.

Reverse Osmosis and Carbon Compatible Modern Faucet | F7660

3-IN-1 WATER FILTRATION PULLDOWN KITCHEN FAUCETS

The 3-in-1 Water Filtration Pulldown Kitchen Faucet dispenses both filtered cold water, and hot and cold tap water through two separate water channels, eliminating any chance of mixed water flow.

UNDER SINK FILTRATION

The Moen® 4-Stage Under Sink Reverse Osmosis Advanced Water Filtration System provides you with the best quality cold drinking water. The advanced 4-stage system reduces unhealthy contaminants like lead and chlorine while keeping healthy minerals. Plus, it eliminates the need for plastic bottled water for a more positive impact on the environment.

A SINK TO SUIT YOU

Kitchen Sinks

No matter your style or how you use your kitchen, Moen® has the ideal sink for you. Creating the perfect kitchen starts with understanding how you enjoy it best. Enhance efficiency or showcase stunning design with a sink that forms the ideal foundation for your space. It's never been easier to find a sink that's the perfect fit.

Whether your lifestyle is busy or relaxed, casual or refined, Moen's new sink portfolio caters to your kitchen routines to create a space that embodies your personal passions and design taste.

Luxe Chef® Workstation Sink | GS181020BUX

Luxe Chef

Passionate about culinary experiences, you invest in high-performance products that elevate your meal preparation and blend convenience, excitement and efficiency into your cooking routines. You find joy in experimenting with new recipes and need a kitchen sink that provides innovative features that streamline your prep and free up space to unleash your creative potential in the kitchen.

Maximize your prep space with a Luxe Chef® Workstation System or Workstation Sink

FEEL AT HOME IN YOUR CHEF'S KITCHEN

NATURAL BEAUTY ADDED TO YOUR KITCHEN

Host

As an enthusiastic entertainer, your kitchen is a hub for hosting festive gatherings and dinner parties. Whether crafting cocktails or curating elaborate meals, an aesthetically pleasing and functional kitchen is vital for creating memorable moments for you and your guests.

Create your classic, show-stopping look with a Host™ Fireclay or Granite Sink

Prep

As someone who prepares light meals and leads an active lifestyle, you seek the essentials that establish a solid foundation. Your kitchen design is rooted in durability, cleanliness and organization, reflecting your commitment to practicality and streamlined functionality. Embracing these core principles, you create a space that effortlessly supports how you live in your kitchen and complements your on-the-go lifestyle.

Find a Prep™ Stainless Steel Sink that suits your lifestyle and budget

Bath and Shower

Revitalize your daily routines and enhance your bathroom's aesthetic with versatile design solutions from Moen®. Explore an array of faucets, showerheads, accessories and innovative technologies—including touchless faucet options—that allow you to tailor your space's appearance and functionality to your exact needs. Unleash your creativity and craft a blissful escape that looks beautiful and works beautifully.

Flara® Collection in Polished Nickel

BEAUTIFULLY BLENDED

Timeless Forms Meet Modern Elegance

Inspired by classical forms, the Flara™ collection exudes glamour by marrying traditional design with modern edges, creating an elegant suite of matching faucets, fittings and accessories. Experience the balance of ageless sophisticated style and contemporary appeal through Moen's innovative *MotionSense Wave™* hands-free faucets, enhancing every water experience at the bathroom sink.

TOUCHLESS ACTIVATION

MotionSense Wave Technology offers hands-free control and convenient handwashing in the bathroom. Featuring a single sensor on the faucet base that provides touchless control, *MotionSense Wave* allows you to turn water on and off with just the wave of a hand. The technology also helps prevent the spread of dirt and germs, since there's no need to touch the faucet handle to start water flow.

CURATED BLISS

Flara offers freestanding and wallmount tub fillers, and customizable shower and bathroom trim, letting you bathe in luxury and create personalized spa-like experiences right at home.

Step into Elegance with Contemporary Glamour

The Flara™ suite embodies traditional charm and modern precision, creating a glamorous allure. Inspired by Hollywood's high style, its luxurious curves balance classic and art deco elements for a fresh take on traditional design. Gestural flared surfaces and crisp details make a striking statement, ideal for creating personalized, elegant bathroom spaces.

Achieve sophisticated design with lasting impact through opulent shapes with clean lines, architectural details, and classic patterns—a dignified and thoughtful look. Mixing metals with Polished Nickel brings a hint of warmth amidst reflective elegance.

WEYMOUTH®

The elegant, traditional design details and distinctive finishing touches of Weymouth meld together for a sense of uncommon luxury.

Custom Showering

Indulge in a shower experience as unique as you are. From chic rainshowers to innovative smart home solutions and handshowers with Magnetix™ technology, Moen® provides a range of options to match your style and specific preferences. Elevate your daily ritual with a shower tailored just for you.

Verso® Rainshower | 220R5BG

Your Shower, Your Way

The Verso™ shower collection featuring Infiniti™ Dial has a sleek design while providing a customized shower experience. The Infiniti Dial provides unlimited spray and coverage options so you can find the perfect shower to meet your needs. Simply slide the dial to switch between spray modes seamlessly with no pause in experience.

Verso showerheads come in various styles and finishes, including rainshowers, handshowers with Magnetix™, and combination models, now in round and soft square designs to enhance the look of any bath.

220C5BL

220H5

EASY CLEANING FOR AN ENHANCED SHOWER

Verso Rainshower with Magnetix features magnetic-docking technology that eliminates the frustration of cleaning a showerhead—simply remove the showerhead to soak in a cleaning solution and wipe it clean. Once the showerhead is clean, snap it back into place—no tools are required.

220R3BG

Statement-Making Showerheads

Create a moment of delight and transform your daily shower into an experience of unparalleled luxury by going beyond the ordinary. There's no better place to embrace the art of personalization, so craft a space of joy by combining vibrant tile designs with playful patterns and textures and choosing a showerhead in a contemporary finish, like Brushed Gold. Explore a diverse range of showering options, including the latest soft square designs, to transform your shower into a sanctuary that makes a bold and stylish statement.

Infuse personality into the bath by pairing classic tiles with veined stone and bold accents. Complement the design with a touch of warmth, such as Brushed Gold fixtures, for a harmonious, well-thought aesthetic.

Customize Your Shower

Create a shower that is best suited to your lifestyle. One that can invigorate your senses and wash away the stress of the day, while providing you with a therapeutic water experience. Moen® offers a variety of valve options, showering devices and product options in a range of finishes that allow homeowners, designers and installers to customize the design and functionality of their showers. The possibilities are endless to create an indulging, spa-like shower for your specific needs.

CONFIGURATION

Take into consideration the number of walls you'll use along with how many walls surrounding your shower will be glass. Do you want all your controls and shower devices on the same wall, or would you rather be surrounded with spray? Don't forget, the ceiling can serve as an extra wall for a rainshower. Will you need to include a tub spout?

SHOWERING DEVICES

Select the water spray option best suited for you, whether it be a handshower, rainshower or body sprays. Which do you prefer? How many of each?

VALVE OPTIONS

Take control of how you would like your shower to function. Do you want your shower to be integrated into your smart home? Would you like to control water volume and temperature independently? Do you want the ability to use more than one showering device at the same time?

TRIM STYLE AND FINISH

Mix and match trim styles and finishes to create your perfect shower design. Do you have a minimalist modern trim style, or are you going for a more elegant, traditional look? Do you prefer mirror-like Chrome or the bold statement of Matte Black?

SMART SHOWER

Never again walk into a shower that's too hot or too cold. The Moen® Smart Shower provides precise temperature control and twelve preset options to create a shower customized to meet your exact needs, including three choices to control the shower—voice activation through smart speakers, the U by Moen App or the in-shower controller.

SHOWER RAIL

TS3661NH

Showerhead and handheld shower sold separately.

ANNEX™

With industrial-inspired sophistication, Moen's Annex Shower Rail combines fashion and function, letting you enjoy both the showerhead and handheld shower of your choice. The versatile design installs without disturbing existing tile or requiring a change in showerhead height to effortlessly add a handheld shower to your space.

Annex installs easily against any surface with its 2½" adjustability between the shower rail and wall, mounting directly to a flush wall or wall with up to a 1" offset. The secure Annex mounting systems meets ADA pull-force requirements, up to 250 pounds, and the fixture pairs with M-CORE® or Posi-Temp valves and trims.

FINISH OPTIONS

Chrome **(C)**, LifeShine® Brushed Nickel **(BN)**, LifeShine Brushed Gold **(BG)**, Oil Rubbed Bronze **(ORB)**, Matte Black **(BL)**

To view ordering instructions, see reference chart on pages 286-293.

FEATURED INNOVATION

Pro-Fit® Installation Template
YB8081

The Pro-Fit Installation System is a single-screw mounting system that uses a pre-attached hollow wall anchor for a fast and solid installation. This eliminates the hassle of set screws with a simple locking tab that holds Pro-Fit posts firmly in place. Visit moenpro.com for installation videos.

LIGHTING

From modern to traditional, Moen® offers a bath lighting choice that will fit your style. In addition to high-end style, Moen lighting provides installation benefits. The Quick Connect Wiring System lets you pre-wire the light fixture to the junction box, meaning there is no need to hold the fixture up to the wall during the wiring process. Glazed sockets help ensure the socket rings install with ease.

secure grab bar installation on a variety of
substrates with no studs required.

Anchors sold separately. See page 269
for details.

SECUREMOUNT™ SYSTEM

FINISH OPTIONS

Chrome (CH), Old World Bronze (OWB)

Product Details:

- 300 lb. weight capacity when securely installed per instructions. Limited Lifetime Warranty. Independently tested by CSA and NAHB laboratories to exceed ADA, ASTM, ANSI and CSA standards.
- Mount securely to a variety of substrates*:
 - 1/2" or 5/8" drywall
 - 1/2" or 5/8" drywall with tile
 - 1/2" or 5/8" drywall with marble
 - 1/8" or 1/4" fiberglass tub surround

Not all platforms available in all finishes.

SecureMount Anchors and Plates

1 Pair Pack SMA1000 |  10 Pair Pack SMA1001 | 

SECUREMOUNT

SecureMount System

The SecureMount System is the ultimate choice in easy, secure grab bar installation.

SecureMount Grab Bars

The unique flange makes it easy to connect to the stud at multiple points, at any angle.

SecureMount Anchors

Precision-engineered for optimal bracing behind the wall, SecureMount Anchors allow for easy grab bar installation—with no studs required—anywhere on the wall.

16" grab bars can typically mount directly into studs because the standard stud size is 16" on center. 18", 24", 36" and 42" grab bars will often need an anchoring system when mounted into drywall, as an alternative to stud or wood-block installation.

*Including multiple layers up to 1 1/2" thick

HAND GRIPS

Designer Hand Grip
LR2250D | ▲

Exposed Screw Hand Grip
R2250 | ▲

FINISH OPTIONS

Chrome **(CH)**, Brushed Nickel **(BN)**,
Old World Bronze **(OWB)**

Product Details:

- Each hand grip is tested to a 250 lb. weight capacity (when securely installed per instructions) and is easy to install.
- Length: 9"

Not all platforms available in all finishes.

Moen® offers a breadth of choices and finishes to create your perfect kitchen or bath. On these pages, you'll find all the details you need, from innovation options, valve selections, price bands and full collection offerings to suit your preference.

Voss™ Two-Handle Wallmount Bathroom Faucet Trim | T6906BL

BRONZED
GOLD
(BZG)

SPOT RESIST™ STAINLESS

Semi-matte finish that melds seamlessly with a variety of aesthetics while resisting fingerprints and water spots.

SPOT RESIST
STAINLESS
(SRS)

NEW

LIFESHINE™ BRONZED GOLD

A soft, warm gold that blends seamlessly with various design styles.

OIL RUBBED
BRONZE
(ORB)

OIL RUBBED BRONZE

Combines dark, burnished tones with golden-hued accents for a striking old-world style.

BRUSHED
NICKEL
(BN)

BRUSHED NICKEL

Adds warmth to a space with classic brushed tones that translate to both traditional and more modern looks.

MATTE BLACK
A bold and dramatic finish that takes your room to new depths, heightening both classic and contemporary designs.

A Finish for Every Style

LIFESHINE BRUSHED GOLD
Pairs lush, warm hues with a matte metallic appearance to complement any style.

CHROME
More like a mirrored surface than a color. Super-polished and cool-toned to the point of glistening for an enduring look.

LIFESHINE POLISHED NICKEL
Elegant, metallic look that brings sophistication and refinement to a space.

BLACK STAINLESS
Classic stainless with a contemporary twist. Versatile to blend with other appliances in this color palette.

ExactTemp® ¾"
Thermostatic Valve***

M-CORE®
Thermostatic Cartridge
(4-Series)

Thermostatic Valves & Cartridges

COMFORT FEATURES

Personalization

Create settings for every occasion—post workouts, lazy mornings and more.

Temperature Consistency

Water temperature won't fluctuate even as the hot water in your tank gets low.

Maximum-Flow Shower Spa Experience

Provides the greatest balance of force, flow and coverage in a Moen shower spa.

Shower Spa Compatible

Add an extra showerhead or handshower or design a complete shower spa experience.

CONVENIENCE FEATURES

Remote Activation

Sync your shower to your smartphone to start, stop and pause remotely.

Precision Thermostatic Control

Dial up the same water temperature every day, just like a thermostat.

Voice Activation

Activate your shower with the sound of your voice.

Volume Control

Adjust the amount of water that flows through your tub/shower from a gentle stream to full force.

Temperature Memory

Dial stays in the same temperature position you last used and returns to that temperature within a few seconds.

Warm Up and Pause

Save water by having the shower warm up to temperature and pause until you are ready to get in.

SAFETY FEATURES

Maximum Temperature Setting

You can set the hottest temperature setting.

Meets Applicable Pressure-Balancing or Thermostatic Safety Codes

DEPENDABILITY FEATURES

Limited Lifetime Warranty

Easy-to-Replace Cartridge

N/A

N/A

* Must be used with M-CORE transfer valve U231 or U361 series to obtain shower spa compatibility.

**Smart Shower is warranted for 5 years against leaks, drips and operation defects to the original consumer purchaser; 1-year warranty if used in commercial applications. 5-year warranty on digital components, limited lifetime trim warranty.

***Use with ExactTemp ¾" volume control valves.

15	Posi-Temp with Integrated Transfer	3.0	4.0	5.0	No	Showerhead, Handshower

*Minimum 50 PSI recommended when plumbing a showerhead and 2 body sprays for shared flow.

PRODUCT TERMS

ADA Compliant

Meets Americans with Disability Act requirements for the physically challenged.

DURALAST®

Duralast® Cartridge

The 1255® and 1234® Duralast cartridges combine innovative engineering and the highest quality materials, rigorously tested to stand up to generations of use. Duralast provides a consistently smooth handle feel for the life of the faucet and is backed by Moen's Limited Lifetime Warranty. The smooth handle movement offers precise control, allowing you to fine-tune temperature balance.

Duralock® Quick Connect

Moen's Duralock Quick Connect system assures quick, secure and hassle-free installation for select Moen® kitchen and bath faucets. This new solution helps save valuable time for plumbers and DIY installers alike.

Immersion®

Immersion Rainshower Technology delivers optimal water pressure and provides coverage across the showerhead to dramatically enhance your showering experience.

Infiniti® Dial

Move the Infiniti Dial to blend sprays and pressure for your perfect shower. Create the experience that is just right for you.

LifeShine® Finish

Faucets featuring our LifeShine finish will not tarnish, corrode or flake off. LifeShine finish not available on accessories or lighting.

Limited Lifetime Warranty

Most Moen faucets come with a Limited Lifetime Warranty against leaks, drips and finish defects. For complete details, call 1-800-BUY-MOEN or visit us at moen.com.

MAGNETIX

Magnetix™

Magnetix showers feature an innovative magnetic docking system. The handshower detaches effortlessly, then returns with a telltale snap that lets you know it's securely docked.

MotionSense Wave™ Touchless Faucets

MotionSense Wave single sensor touchless faucets allow you to easily turn water on and off with the wave of a hand, keeping messes and germs at bay.

M•Pact® Common Valve System

Change the look of bathroom fixtures without replacing the valve. You can upgrade the style or change the finish at any point in the decorating or construction process—or switch styles years down the road in just minutes.

Pivoting Paper Holders

Many Moen paper holders feature an innovative, spring-free design that makes changing the roll quick and easy. Simply lift the arm, insert the roll and set the arm back into place. The pivoting arm remains attached so there's no spring to lose and no extra parts to drop.

POWERBOOST

Power Boost™—Faster Clean. Faster Fill.

Power Boost Technology provides a boosted stream that fills pots and pitchers faster and provides 50% more spray power* for quick clean up.

POWERBOOST PRO

Power Boost® Pro

Move about the kitchen like a pro with Moen's new Power Boost Pro spray technology. Fill containers, clean plates, and target spray coverage with just the press of a lever. Faucets with Power Boost Pro offer a variable flow rate from 1.1–2.2 GPM to meet any need for improved cleaning spray, reduced splash, and the ability to save water with a low-flow stream that won't sacrifice experience.

POWERCLEAN

Power Clean™—More Force, Less Splash™

Power Clean technology provides 50% more spray power versus most Moen pulldown and pullout faucets without the Power Clean technology, while containing splashing and minimizing mess. Now, users can clean dishes faster while reducing the amount of residual water in and around the sink. Greater force means faster cleanup with less water used.

Pro-Fit™

The Pro-Fit Installation System is a single-screw mounting system that uses a pre-attached hollow wall anchor for a fast and solid installation. This eliminates the hassle of set screws with a simple locking tab that holds Pro-Fit posts firmly in place. Visit moen.com/professional for installation videos.

Reflex® System

Only Moen pullout and pulldown faucets include Reflex—a comprehensive system of features and design elements that improve the way your faucet functions. Engineered specifically for select pullouts and pulldowns, these improvements work in unison to enhance overall functionality and usability. Because Reflex was created based on input from actual users, faucets with Reflex naturally respond to the way you work, and the way you want your faucet to work.

SECUREMOUNT

SecureMount™

SecureMount anchors allow for an easy grab bar installation with no studs required anywhere on the wall. This means you can place grab bars exactly where you want, resulting in a safe and stylish look in the bath.

SoundSHIELD™

SoundSHIELD™

All disposals and stainless steel sinks feature SoundSHIELD, assuring exceptional noise reduction and quiet dependability.

Spot Resist™ Finish

Spot Resist does just what it says—resists fingerprints and water spots. This innovative finish maintains the brilliance of your kitchen faucets to help you spend more time enjoying your home and less time cleaning it.

WaterSense®

Interest in eco-friendly products continues to grow, so every Moen lavatory faucet meets EPA WaterSense certification criteria. Plus, we offer a collection of eco-performance showerheads that conserve water without sacrificing performance.

*Versus Moen pullout and pulldown faucets without Power Clean or Power Boost technology.

PRODUCT PAGE SYMBOL KEY

Kitchen

FAUCET AND BAR

-  ADA Compliant
-  Power Clean
-  Power Boost
-  Power Boost Pro
-  1.0 GPM Flow Rate

SINKS

  ADA/FHA-Compliant: Third party certified to meet ASME A112.19.3/CSA B45.4 and all applicable specification referenced therein. Sink compliant to ADA (ICC A117.1) and FHA accessibility specifications when installed to these required standards.

-  Available in Bulk
-  Bulk SKU

DISPOSALS

-  Fast Track™ Installation features faster installation: Simple Snap tool quickly secures mounting assembly to disposal. Easy to open drain plug that connects disposal to dishwasher
-  Universal Xpress Mount™ fits Moen and most existing 3-bolt mounting assemblies
-  Permanent magnet motor designed to help reduce jamming
-  SoundSHIELD™ designed to provide sound deadening insulation (available on select models)
-  Continuous feed grinds as long as power is on
-  Pre-installed power cord is a savings over other models where cord must be purchased separately; cord removes easily for optional hardwiring
-  High-speed VORTEX™ permanent magnet motor provides fast, powerful grinding
-  360° Clean Rinse design eliminates odors
-  Batch Feed Stopper activates disposal for safer operation; no wall switch required (only for batch feed disposals)
-  Easy-lift installation system provides a simple, quick connection for enhanced comfort when under the sink

Bathroom

FAUCETS, TUB FILLERS, AND SHOWERING

-  All indicated Moen lavatory faucets are manufactured in compliance with the applicable requirements of the EPA High-Efficiency Lavatory Faucet Specification.
-  * Rough-in valve required. Please see price catalog for rough-in model numbers.
-  Moen M•PACT Common Valve System
-  ADA Compliant
-  Immersion Rainshower Technology
-  All indicated Moen flow-optimized showerheads use up to 30% less water (compared to traditional showerheads) without sacrificing performance, are certified to meet WaterSense® labeling criteria and contribute toward maximizing LEED® points.
-  Features Magnetix
-  Features Infiniti Dial
-  EP SKUs with the suffix EP denote an eco-performance showerhead
-  NH SKUs with the suffix NH denote product comes without a showerhead
-  1.0 GPM Flow Rate
