OMNIA

MANUFACTURERS OF FINE LOCKSETS & ARCHITECTURAL HARDWARE

Suggested Retail Prices Effective September 1, 2023

# OMNIA

## *Ultima IV*

These latest additions to our Ultima collections of solid brass pulls are a continuation of the extremely well-received hybrid designs previously introduced that featured a mixture of shapes and textures. While some Ultima IV styles bring an entirely new look, others are more robust versions of existing designs.

A wide array of finishes and pull sizes, including a scale suitable for door or appliance pulls, means an individual hardware statement can be created for any bath or kitchen project.

### Finishes

**US3A**  
POLISHED
