TERMS AND CONDITIONS**PRICES**

All prices are subject to change without notice and are not guaranteed.

TERMS

Net 30 days from date of invoice on approved credit.

MINIMUM CHARGE

A service charge of \$5.00 will be added on to orders of \$50.00 or less.

CREDIT CARD FEE

All credit card payments will be charged an additional 3.5% convenience fee.

PACKING

Pamex will pack, mark, and ship the products according to its standard procedures for shipment unless both parties agree, in writing, that Pamex will comply with any special instructions provided by the customer. Compliance with special instructions may result in an extra service charge.

FREIGHT

All goods are invoiced FOB Chino, CA. Upon delivery of shipments to the carrier, title to, and the risk of loss or damage in transit for, such shipments passes to our customer.

FREIGHT ALLOWANCE

Full freight will be prepaid on orders of \$1,000 or more to a single destination in the continental U.S., by carrier and route of our choice. Shipments of less than \$1,000 will not be shipped on a prepaid basis. If higher freight charges are incurred from customers specifying a carrier or route of their choice, the additional cost will be added to that customer's invoice.

DELIVERY CONDITIONS

Shipping schedules are our best estimates and cannot be guaranteed. We are not responsible for any direct or consequential loss or damage resulting from an inability or delay in meeting shipping schedules. It is the customer's responsibility to count the total cartons before he/she signs the bill of lading. Claims for shortages, damage, and/or incorrectly filled orders must be filed with our customer service department within 7 days of receipt of material.

RETURNS

All merchandise returned for credit must have prior written authorization from the Pamex customer service department. A Return Merchandise Authorization (RMA) number will be issued and a copy of this itemized list must accompany the returned shipment with a stated explanation for the return. All merchandise returned for credit must be in clear salable condition. Requests for credit returns are allowed within six months of the original invoice date. All parts, special orders, and non-stock items are not returnable. A 40% restocking charge will be assessed on returned merchandise. Any labor items, such as keying charges, are not eligible for credit. Freight for the returned merchandise is the responsibility of the returning party.

ANSI STANDARD

All residential locks meet **A 156.2 series Grade 3 or Grade 2** requirements.

All commercial locks meet **A 156.2 series 4000 Grade 1 or Grade 2** requirements and UL 3-hour fire rating.

All commercial deadbolts meet **A 156.5 series 4000 Grade 1 or Grade 2** requirements and UL 3-hour fire rating.

LATCH STANDARD **Brass & Steel Casting**

Residential Series	<p>Exterior: 1" face, Adjustable deadlatch, 1/4" radius round corner mortise type.</p> <p>Interior: 1" face, Adjustable plainlatch, 1/4" radius round corner mortise type.</p> <p>Deadbolt: 1" face, Adjustable deadbolt, 1/4" radius round corner mortise type. (FD2, FD3 series) 1" face, Adjustable deadbolt, 1/4" radius round corner mortise type. (FDK, FDS series)</p> <p>The Grade 3 and Grade 2 locks supplied with UL latch meets NFPA 80-180 requirements for 1 hour wall with 1/3 hour fire rating.</p>
Commercial Series	<p>For Annapolis, Pendleton, Alameda Series--H. D. G1 Cylindrical Locks</p> <p>Exterior: 1-1/8" face, 2-3/4" UL listed deadlatch, square corner mortise type</p> <p>Interior: 1-1/8" face, 2-3/4" UL listed plainlatch, square corner mortise type</p> <p>For Davidson, Princeton, Avalon Series--H. D. G2 Cylindrical Locks</p> <p>Exterior: 1-1/8" face, 2-3/4" UL listed deadlatch, square corner mortise type</p> <p>Interior: 1-1/8" face, 2-3/4" UL listed plainlatch, square corner mortise type</p> <p>For G2 Tubular Interconnected Locks</p> <p>Double locking:</p> <p>Deadbolt: 1-1/8" face, Adjustable UL listed deadbolt, square corner mortise type</p> <p>Entry: 1-1/8" face, Adjustable UL listed deadlatch, square corner mortise type</p> <p>Single locking:</p> <p>Deadbolt: 1-1/8" face, Adjustable UL listed deadbolt, square corner mortise type</p> <p>Passage: 1-1/8" face, Adjustable UL listed plainlatch, square corner mortise type</p> <p>For Cambridge, Dallas, Sierra Series--G2 Tubular Locks</p> <p>Exterior: 1" face, Adjustable UL listed deadlatch, 1/4" radius round corner mortise type</p> <p>Interior: 1" face, Adjustable UL listed plainlatch, 1/4" radius round corner mortise type</p> <p>For Deadbolt-- FDP series 1-1/8" face, Adjustable UL listed deadbolt, square corner mortise type</p> <p>FD7 series 1" face, Adjustable UL listed deadbolt, square corner mortise type</p> <p>FD8 series 1" face, Adjustable non-UL listed deadbolt, round corner mortise type</p>

STRIKE PLATE STANDARD

Residential Series	<p>Tubular lock: FT4SP — 1-3/4"x2-1/4" full lip, 1/4" radius round corner</p> <p>Deadbolt: FD9SP — 1-3/4"x2-1/4" full lip, 1/4" radius round corner for FD2, FD3, FDK, FDS and G3 handlesets</p> <p>FD1SP — 1-1/8"x2-3/4", square corner for G2 handlesets</p>
Commercial Series	<p>For Annapolis, Pendleton, Alamedar: FASA — 1-1/4"x4-7/8" ASA-strike, square corner</p> <p>For Davidson, Princeton, Avalon: FASA — 1-1/4"x4-7/8" ASA-strike, square corner</p> <p>For Tubular Interconnected Locks:</p> <p>Deadbolt: FD1SP — 1-1/8"x2-3/4", square corner for deadbolt</p> <p>Tubular lock: FT7SPG — 1-1/8"x2-3/4" T-strike, square corner for leverset</p> <p>For Cambridge, Dallas, Sierra Series-- Tubular Locks:</p> <p>FT4SPG — 1-3/4"x2-1/4" full lip, 1/4" radius round corner</p> <p>For Deadbolt-- FDP series: FD1SP — 1-1/8"x2-3/4", square corner</p> <p>FD7 series: FD1SP — 1-1/8"x2-3/4", square corner</p> <p>FD8 series: FD1SP — 1-1/8"x2-3/4", square corner</p>

Note: Orders for product in 32D, 15, 15A, 26, or 26D finishes will be packaged with latches and strike plate in 32D finish.

Orders for product in 10B, 11P or 19 finishes will be packaged with latches and strike plate in 10B finish.

KEYWAY

Residential Series Standard: Pamex 5-pin cylinder KW keyway. (5-pin SC "C" keyway available)

Commercial Series Standard: Pamex 6-pin cylinder SC "C" keyway. (5-pin SC "C" and KW 5-pin keyway available)

FD8 Series with KW 5-pin as standard

PACKAGING

All locks are shipped box-packed as standard. Package includes latch, strike, screws and instructions. All key locks are packed with two keys. Visual Packaging is also available by special order only.

DOOR HANDING

How to determine the handing of a door:

- The hand of a door is always determined by facing the OUTSIDE of a door.
- If the hinge is on the left side of the door, the door is left handed (LH).
- If the hinge is on the right side of the door, the door is right handed (RH).

Not all products are handed; only specify handing when required.

KEYING OPTION

Code	Description
KA2,3,4	Keyed Alike 2,3,4
KD	Keyed Differently
MK	Master Keyed
CK	Construction Keyed
MCK	Master + Construction Keyed
GMK	Grand Master Keyed

- All residential entry locks and deadbolts are shipped KA4 (Keyed Alike 4). Handlesets are shipped KD (Keyed Differently) unless otherwise specified.
- All commercial entry locks and deadbolts are shipped KA2 (Keyed Alike 2) unless otherwise specified. Interconnected locks are shipped KD (Keyed Differently).
- For rekeying charges, please see page 86.
- For I/C Core keying charge, please see pages 37 & 86.

PAMEX PRODUCT WARRANTIES

Subject to the terms and conditions of this warranty, Pamex extends limited mechanical and finish warranties to the original user ("Original User") of all Pamex products ("Product(s)") against defects in workmanship, materials, or operation, subject to ordinary wear and tear as it pertains to particular installations, so long as the Original User occupies the residential premises upon which the Product was originally installed. This warranty is non-transferable and is subject to the following warranty periods, which begins running from the date of purchase of the Product:

Products	Warranty
Grade 1 Commercial Mortise Locks	Life-Time Mechanical / 5 Years Finish
Grade 1 Commercial Locks & Latches	Life-Time Mechanical / 5 Years Finish
Grade 2 Commercial Locks & Latches	Life-Time Mechanical / 5 Years Finish
GC4400 (Grade 1 - Door Closer)	25 Years Mechanical / 5 Years Finish
GC5900 (Grade 1 - Door Closer)	25 Years Mechanical / 5 Years Finish
GC6800 (Grade 1 - Door Closer)	25 Years Mechanical / 5 Years Finish
GC8700 (Grade 1 - Door Closer)	10 Years Mechanical / 5 Years Finish
GC800 (Grade 2 - Door Closer)	10 Years Mechanical / 5 Years Finish
E9000 (Grade 1 - Exit Device)	Life-Time Mechanical / 5 Years Finish
E9100 (Grade 1 - Exit Device)	Life-Time Mechanical / 5 Years Finish
E9300 (Grade 1 - Exit Device)	Life-Time Mechanical / 5 Years Finish
E7000 (Grade 1 - Exit Device)	10 Years Mechanical / 5 Years Finish
E5000 (Grade 1 - Exit Device)	10 Years Mechanical / 5 Years Finish
E8000 (Grade 2 - Exit Device)	10 Years Mechanical / 5 Years Finish
Commercial Door Hardware	1 Year Mechanical / 1 Year Finish
Bath & Hospitality Accessories	1 Year Mechanical / 1 Year Finish
Grade 2 Residential Exterior Handlesets	Life-Time Mechanical / 5 Years Finish
Grade 3 Residential Exterior Handlesets	Life-Time Mechanical / 5 Years Finish
Grade 3 Residential Deadbolts	Life-Time Mechanical / 5 Years Finish
Grade 3 Residential Interior Locks	Life-Time Mechanical / 5 Years Finish
Grade 2 / 3 Residential Interior Latches	Life-Time Mechanical / 5 Years Finish
Residential Door Hardware	1 Year Mechanical / 1 Year Finish
Bath Accessories	1 Year Mechanical / 1 Year Finish

This warranty does not apply to Products: (i) that have been subject to abuse, misuse, alteration, or negligence; (ii) that have been improperly installed, stored, maintained, or operated; or (iii) used for purposes for which they are not designed or intended, including use of residential Products in commercial or common area applications. The following costs and expenses are not covered by the provisions of this limited warranty: (i) labor costs for the removal and reinstallation of Products; (ii) shipping and freight expenses required to return products to Pamex; (iii) normal maintenance; and (iv) economic losses. In addition, this warranty does not cover deterioration or scratches in finishes resulting from the use of paints, solvents, or other chemicals.

Upon receipt of a returned Product deemed by Pamex to be defective, Pamex reserves the right to either repair or replace the Product, or refund the original purchase price to the original purchaser of the Product. In order to receive refund credit, the returned Product must include a prior written authorization for return issued by Pamex and be received by Pamex, with all return shipping charges prepaid by the returning party, within one year of delivery of the Product to the original purchaser.

Pamex is not liable for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

Pamex reserves the right to make changes in designs and specifications or to make additions or improvements on its Products without notice and without incurring any obligation to incorporate them on Products previously manufactured.

To make a claim under this warranty, please contact Pamex's Customer Service Department at (800) 621-6869 or sales@pamexinc.com.

LEED PROGRAMS & CREDITS

LEED is an internationally recognized green building certification system, providing third-party verification that a building or community was designed and built using strategies aimed at improving performance across all the metric that matter most: energy savings, water efficiency, CO2 emissions reduction, improved indoor environmental quality, and stewardship of resources and sensitivity to their impacts.

The LEED rating system includes categories such as Sustainable Site, Water Efficiency and Materials and Resources. Pamex products fall under the category of Materials and Resources specifically for Credit 4: Recycled Content. You can get 1 point if the total recycled content for the material used is over 10% and 2 points if it's over 20%.

Credit	Requirement
Recycled Content MR 4.1	Use materials with recycled content such that the sum of the post-consumer recycled content plus one-half of the pre-consumer content constitutes at least 10% of the total values of the material in the project.
Recycled Content MR 4.2	Use materials with recycled content such that the sum of the post-consumer recycled content plus one-half of the pre-consumer content constitutes an additional 10% beyond MR Credit 4.1 (total of 20% based on cost) of the total values of the material in the project.

Post-consumer material is defined as waste material generated by households or by commercial, industrial and institution facilities in their role as end-user of the product, which can no longer be used for its intended purpose.

Pre-consumer material is defined as material diverted from the waste stream during the manufacturing process. Excluded is reutilization of materials such as rework, regrind or scrap generated in a process and capable of being reclaimed within the same process that generated it.

Based on the review of current LEED rating systems for applicability to architectural door hardware, Pamex states the following:

Materials and Resources: Recycled Content

Product	Post-Consumer Recycled Content %	Pre-Consumer Recycled Content %	Total LEED %
Door Closers			
GC4400 Series	47.0%	31.0%	62.5%
GC5900 Series	47.0%	31.0%	62.5%

BUY AMERICA ACT (BAA) AMERICAN RECOVERY & REINVESTMENT ACT (ARRA)

BAA was established give a preference for the United States government to purchase US manufactured products over competing products. However, there are two exceptions to BAA. The first exception deals with existing trade agreements with preferred WTO trading partners and NAFTA trading partners.

Many Pamex products are manufactured in Taiwan which are designated WTO country and by WTO agreements with the United States, products manufactured in Taiwan are exempt from BAA in federal contracts and federally funded jobs – either wholly funded or partially funded.

ARRA is part of the 2009 stimulus act which deals with iron, steel

and products manufactured from these items. As is the case with BAA, WTO designated countries are exempt from this Act.

The second exemption comes from BAA of March 3, 1933, which states that the federal government can purchase items which are not manufactured in the US if US goods and products are not available in sufficient quantity. This Act was amended by Executive Order #11501 in September 27, 1962. The change in the Act is known “Unreasonable Costs Provision”. This provision stated that if a domestic product is 6% or more costly than any foreign product from any country that product is exempt from BAA.

FLORIDA BUILDING CODE APPROVED HARDWARE

Florida Building Code: **FL14722**
ASTM E1886/E1996/E330

Pamex is pleased to announce the following hardware have been tested and approved to meet the Florida Building Code:

FL#	Model	Description
14722.1	FI Interconnected Series	Interconnected Tubular Lock and Deadbolt for use on a Steel Door Panel - "Impact Rated" for Inswing or Outswing usage
14722.2	FD8 Deadbolt / F Series Knob or Lever	Grade 2 Removable Cylinder Deadbolt with Knob or Lever Lock for use on a Steel Door Panel - "Impact Rated" for Inswing or Outswing usage
14722.3	FD7 Deadbolt / F Series Knob or Lever	Grade 2 Deadbolt with Knob or Lever Lock for use on a Steel Door Panel - "Impact Rated" for Inswing or Outswing usage
14722.4	FD2 Deadbolt / F Series Knob or Lever	Grade 3 Deadbolt with Knob or Lever Lock for use on a Steel Door Panel - "Impact Rated" for Inswing or Outswing usage
Pending	FI Contemporary Interconnected Series	Interconnected Tubular Lock and Deadbolt for use on a Fiberglass Door - "Impact Rated" for Inswing or Outswing usage
Pending	FDS/FDK Deadbolt / FLT/FLS/FLT Lever	Grade 3 Deadbolt with Knob or Lever Lock for use on Fiberglass Door - "Impact Rated" for Inswing or Outswing usage

CARE & MAINTENANCE STATEMENT

MECHANICAL

In order to extend the life of Pamex products, please complete the following steps:

- Inspect the lock for excessive accumulation of dirt and residue in the operating mechanism.
- Lubricate the keyway by placing a small amount of flaked graphite on the key and inserting it into the keyway.

Caution: Using too much flaked graphite will attract moisture and gum up the cylinder.

FINISH

Lifetime Polished Brass (PVD)

Wipe clean with a streak-free glass cleaner and soft cloth.

Satin Stainless Steel (US32D)

Use plastic pad or bronze wool. Protect with metal polish or car wax.

Oil-Rubbed Bronze (US10B) & Dark Bronze (US12P)

Use lemon oil then polish with dry cloth

Polished Brass (US3), Antique Brass (US5), Venetian Bronze (US11P), Antique Nickel (US15A), Satin Nickel (US15), Polished Chrome (US26) & Satin Chrome (US26D)

A final protective lacquer coating is applied to these finishes. To maintain the finish, wipe the hardware with a soft, water-dampened cloth. Never use abrasives, ammonia, or other harsh chemicals.

 * **WARNING:** Cancer and Reproductive Harm - www.P65warnings.ca.gov - See page 214 to learn more about California Proposition 65

NOTES:

1. Fits BEST, Falcon and Arrow I/C Core.
2. BEST 6-pin "A2" keyway standard, 7-pin available.
3. Lock list price does not include I/C core.
4. I/C Core list prices include KA, KD, MK, keying charges. GMK system extra.
5. 2 control keys per order/job.
6. Temporary construction I/C core may return to Pamex for partial credit.

KEYPAD DEADBOLT

- Features:**
- Easy Installation, no hard wiring needed
 - Fits standard door prep
 - Easy programming. 4-6 digit user code.
 - Optional auto-locking function
 - Back-up key cylinder override
 - Powered by 4x AA batteries ( not included)
 - Non-handed design
 - Meets ANSI Grade 2
 - Allows up to 10 user codes
 - Lifetime mechanical warranty
 - 1 year electronics warranty
 - 5 year finish warranty

CALIFORNIA PROPOSITION 65 OVERVIEW

What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. This enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

What does the warning look like?

 **WARNING: Cancer and Reproductive Harm** - www.P65warnings.ca.gov

What does a warning mean?

The product package associated with the warning could expose individuals to one or more of the chemicals on the list.

How do I learn more about Proposition 65?

Visit this website to learn more about Proposition 65.
