Copper Shims for 16-18 Series, Commercial Grade, 10 Pack

Copper Shims, for 16-18 Series, Commercial Grade, ECT Cam-Type Connector 10 Per Pack -

ROHS Compliant : Yes

Leviton cam-type connectors are designed for easy assembly and disassembly without special tools. An insulated screw is used to tightly secure the contact inside the insulating sleeve, making assembly, disassembly and field repairs effortless. The connectors use plastic locking and reinforcement rings molded into insulating sleeves and receptacles. Under severe stress and load conditions, plastic locking and reinforcement rings will not melt, break or crack.
