Environmental Health and Safety Policy

ASSA ABLOY Accessories Group – Rockwood Products and Glass Solutions, referenced as “Rockwood” in this text is dedicated to protecting the quality of the environment, and the health and safety of its employees, customers, and the community in which it operates. In order to meet these goals, Rockwood’s employees and management are committed to:

- Establish and maintain programs to ensure that all employees and persons working on Rockwood’s behalf are trained to know, understand, and comply with all applicable environmental, health, and safety laws, regulations, procedures, and other requirements to which we subscribe.
- Make consideration of the environmental impacts of our activities, products, and services a priority in our planning for existing and new products and processes.
- Measure and continually improve environmental performance and make this policy available to the public.
- Strive to be efficient in the use of natural resources and protect the environment including the prevention of pollution.
- Establish, implement, and review environmental objectives.
