

STI LIGHT DAMAGE STOPPER®

STI-9703

PRODUCT OVERVIEW

Here is an excellent way to protect your emergency lights against vandalism and accidental damage. This Stopper was created in response to multiple requests from STI customers. It is easy to install with all fasteners provided. Light bulb replacement is easy without the removal of the guard.

BACKED BY A THREE YEAR GUARANTEE

Constructed of tough, 9-gauge steel wire that is coated with corrosion resistant white polyester. It is not surprising STI backs it with a three year guarantee against breakage in normal use. This Stopper is highly recommended for areas where abuse is severe or it is imperative lights continue to operate.
