

# STI SPEAKER GUARD DAMAGE STOPPER®

STI-282121

## PRODUCT OVERVIEW

These members of the STI Wire Guard Team were created in response to multiple requests from STI customers. Constructed of 9-gauge steel wire coated with corrosion resistant polyester. The size and sturdy steel construction make the multi-use wire guards an easy choice for protecting speakers and a wide variety of sensitive equipment.

## BACKED BY A THREE YEAR GUARANTEE

Constructed of tough steel wire that is coated with corrosion resistant polyester. It is not surprising STI backs them with a three year guarantee against breakage in normal use. These Stoppers are highly recommended for areas where abuse is severe or it is imperative that important devices continue to operate.

## KEY FEATURES
