SERIES SPECIFICATIONS

The Centaur ceiling fan and light fixture support box is an ideal choice for installation during new construction or remodeling. It features a heavy-duty plastic, screw mount electrical box. The pan is 1/2" deep with side storage and comes standard with 8-32 threads for cover plates and light weight fixtures as well as 10-24 threads for ceiling fans and heavy fixtures and will support fans up to 70lbs. and light fixtures up to 150lbs. The plastic protective cover eliminates debris or damage to wiring and doubles as a gasket for energy savings
