The clean lines and hand-riveted accents make the Westover outdoor lantern collection a modern industrialist's dream. A long rectangular framework provides an unobstructed view of the lantern's sleek interior. The choice of earth black or antique brass further enhances the versatility of this refined collection. The earth black shows off clear beveled glass panels while the antique brass option flaunts seedy glass. Use the Westover wall lantern in pairs to flank a door or on its own for an asymmetrical look.
