# GUIDE TO ICONS

The Platinum Collection is an exciting platform of contemporary design—playful and dramatic expressions in lighting. This collection utilizes energy efficient light sources, creating a dramatic effect through the intensity of light which showcases the refractive qualities of cut crystal.

## QUOIZEL NATURALS

Quoizel Naturals are functional and attractive lighting products that are designed using the abundance of beautiful materials found in our natural world.

Constructed of copper or brass materials, these fixtures have a unique look. Outdoor exposure will naturally patina both materials over time, adding an antique character to the copper and brass

*5-Year Warranty*

Coastal Armour is constructed of a composite material tested to withstand the elements. With a core-strengthening ingredient of natural quarry stone crushed to a fine powder and then mixed with a powerful blend of latex and adhesives, Coastal Armour by Quoizel creates the next generation of products by using a material of extraordinary strength, durability, and beauty. Coastal Armour has been expanded to also include die-cast aluminum, aluminum and galvanized steel materials that use high-end marine grade paint and pass 800 hour UV and salt/spray tests.

The hardware is galvanized steel or brass.
