ARTISANS OF THE LIGHTING INDUSTRY

Since 1930, Quoizel has made it a practice to keep in step with evolving fashion trends in home décor and interior design around the world.

As an industry leader in home lighting for over 80 years, we at Quoizel repeatedly offer successful product lines ranging in style from traditional to contemporary, keeping hand-crafted artistry, cutting-edge innovation and enduring quality at our very core.

Dear Friends,

We can't wait for you to peruse our 2024/2025 Full Line Catalog and see our newest decorative lighting introductions. Our mission is to help you beautify your living spaces and we hope our products help to achieve this goal.

Our in-house design and marketing teams work year-round to understand today's trends in home furnishings, residential architectural designs and overall fashion. We believe that our product lines embody all three elements as well as offer fresh innovative looks; we hope that you agree.

On behalf of the entire Quoizel team, we thank you for your loyalty and friendship and for making our products part of your home.

Sincerely,

A handwritten signature in black ink that reads "Rick Seidman". The signature is written in a cursive, flowing style.

EXCLUSIVES

Look for these logos throughout this catalog to find fixtures with design and material characteristics that are unique to Quoizel.

Platinum by Quoizel is an exciting platform of contemporary design — playful and dramatic expressions in lighting. This lighting design style is sleek and striking, creating a captivating effect through the intensity of light. The Integrated LED fixtures in this collection utilize energy-efficient light sources to offer a fresh way to illuminate contemporary light schemes.

Coastal Armour is constructed of a composite material tested to withstand the elements. With a core-strengthening ingredient of natural quarry stone crushed to a fine powder and then mixed with a powerful blend of latex and adhesives, Coastal Armour by Quoizel creates the next generation of products by using a material of extraordinary strength, durability, and beauty. Coastal Armour has been expanded to also include die-cast aluminum, aluminum and galvanized steel materials that use high-end marine grade paint and pass 800 hour UV and salt/spray tests. The hardware is galvanized steel or brass.

Constructed of copper or brass materials, these fixtures have a unique look. Outdoor exposure will naturally patina both materials over time, adding an antique character to the copper and brass.

Quoizel Naturals are functional and attractive lighting products that are designed using the abundance of beautiful materials found in our natural world.

LED

INTEGRATED LED

For the purpose of this Catalog all Integrated LED fixtures are listed as “Integrated LED”.

CRI

CRI (Color Rendering Index) measures how colors look when illuminated by an LED light source compared to natural sunlight. The scale goes from 0-100, with 100 representing a perfect score.

KELVIN TEMPERATURE

Kelvin Temperature is a measurement of the color of light given off by the light source. As it applies to LED lighting warm white lighting is 3,000K or less, cool white lighting is 3,100K to 4,500K, and daylight is 4,600K to 6,000K.

TOTAL LUMENS VS. DELIVERED LUMENS

What’s the difference between total lumens and delivered lumens? It’s an important question to answer when evaluating LED light fixtures so you know the amount of light that is available to light an area.

Total lumens measure the amount of light *emitted* from the LED module. This figure does not take into account reduction from light filtering through the LED lens, shade or glass.

Delivered lumens is the measure of light *through the fixture lens, shade or glass*. Delivered lumens will be less than total lumens due to the lumen reduction through the decorative glass or shade over the LED. Delivered lumens provides a more accurate measure of the light available for the space than total lumens.

BULB TYPE	INCANDESCENT WATTS	MAX LED WATTS

E26 TYPE A	40W	10W

BULBS

Bulbs are not included unless otherwise noted. Wattages stated are the maximum allowed, however, you may use lower wattage lamps to suit your lighting needs.

DIMMERS

Dimmable integrated LEDs use either an ELV dimmer switch or a CL dimmer switch. Please refer to the product specifications sheet for the correct switch to use.

ELECTRICAL

All wired fixtures are rated at 120-volt AC unless otherwise noted. All wired fixtures are cUL or ETL listed unless otherwise noted.

LOCATION RATING

All chandeliers, flush mount, semi-flush mount and bath fixtures are listed for use in “Damp” locations. All outdoor hanging fixtures are listed for use in “Damp” locations. All outdoor wall and post fixtures are listed for use in “Wet” locations.

MAX HEIGHT

Max height for all hanging fixtures varies, refer to individual product specifications. Additional rods and chain are available for purchase, please contact your local sales representative.

NATURALS/TIFFANY

Natural materials are perfect for those seeking the aesthetics of natural variations. Due to its uniqueness, the material may vary from pictured items. Glass color in Tiffany lighting products vary in color. No two pieces are identical. Metal finishes will naturally mature and patina over time, changing in appearance and creating a living finish.

AVIARY

Finish: Palladian Bronze

Industrial, ironclad elements reveal a surprisingly airy aesthetic in polished nickel or palladian bronze. The Aviary chandelier, available in a variety of sizes, instantly enlivens dull spaces with a bold, angular shape, exposed candles and thick chain suspension. Free of superfluous scrolls and flourishes, Aviary speaks to simplicity of design rooted in farmhouse craftsmanship.

CONCHO BAY

Finish: Matte Black

Matte black sets the tone for simple yet radiant style in the Concho Bay light, available as a semi-flush mount or pendant. Brass-tone candle covers infuse warmth and contrast in this modern design or create a monochromatic look with black candle covers instead. Open framework ensures the effect is playfully geometric, never heavy.

BLACKSMITH

Finish: Old Black

Shade: Opal Etched Glass

A spiral sensation, the Blacksmith's bold ironwork moves in soft curves along an orb-shaped silhouette. The old black finish includes accents of charcoal and dark silver for a sultry, smoke-like effect. The candles are fitted with cylindrical shades in frosted glass that soften the light of this stunning collection.

FAN LIGHTS

ZURI

Finish: Matte Black

With a striking silhouette and bold, clean lines, the Zuri ceiling fan light combines the air flow of a ceiling fan with an integrated LED light source provided by a chandelier. The matte black frame pairs effortlessly with the three fan blades, accentuated by the open-air design. With its modern and contemporary style, Zuri is a perfect lighting or ceiling fan choice in any smaller space.

Rencher wall lanterns draw inspiration from modern industrial design. The matte black metal shade is painted with a white interior to allow for optimal light output. While designed primarily for outdoor use, Rencher also makes a statement as a wall sconce inside your home. As part of our Coastal Armour collection, this product is durable, marine grade, and comes with a 5-year limited warranty.

Matte black and gold make a perfect pairing in the Longshore outdoor wall lantern. The black metal shade is accented by a gold braided rope design that takes the place of a traditional hook. With its coastal inspired design and sleek silhouette, Longshore is an obvious choice next to any front door or as a porch light.

Modern meets industrial in the Hyde lantern collection. The tapered metal shade adds a level of sleek sophistication, available in matte black with brass metal accents. While designed primarily for outdoor use, Hyde also makes a welcome addition inside the home as a wall sconce or over a bathroom mirror. All Coastal Armour products are durable, marine grade, and come with a 5-year limited warranty.

The Lavalier outdoor wall lantern draws style inspiration from classic coastal design. The nautical-inspired silhouette features slender curving lines and a sleek metal shade, both finished in mottled black. A clear glass shade completes the look, allowing the light to shine through uninhibited. Flank your front door with a pair of Lavalier sconces — or use as a porch light to create the perfect setting for outdoor entertainment.

The integrated LED light source shines brightly through clear seedy glass. The barn light silhouette is finished in matte black, adding the finishing touch. While designed for outdoor use, Felix can also be used inside the home as a wall sconce or above a mirror in the bathroom. All Coastal Armour products are durable, marine grade, and come with a 5-year limited warranty.

Reminisce with Jameson, an outdoor wall lantern crafted from solid copper. A stunning aged copper finish is highlighted by a rounded hook design and small grommet details, lending a hint of industrial charm to the romantic dome-shaped silhouette. While designed primarily for outdoor use, Jameson can also be used inside the home as a wall sconce or above a bathroom mirror.

BARBER
