LT Series

Decorative tubular locks

SCHLAGE

ALLEGION

Put your confidence in the consistency of Schlage®

The LT Series gives you the quality you can count on from Schlage. LT Series decorative tubular locks are built from the foundational technology of the L Series mortise locks, to provide you the durable, reliable performance that you have come to know from Schlage.

Continuity is key

Safety and security are paramount when choosing door hardware, but continuity in design is also key for those projects that have exacting aesthetic demands. The Schlage LT tubular lock, by suiting seamlessly with Schlage L Mortise locks and Von Duprin exit devices, gives you both.

Seamless suiting with Schlage L Series mortise locks and Von Duprin® exit devices:

- The LT Series utilizes the same levers, finishes and roses as the L Series to provide a consistent look and feel throughout the project.
- All levers are manufactured from solid brass or solid stainless steel for a comfortable, heavy feel.

Attention to detail:

- Hidden lever attachment with no exposed set screws
- Levers move both up and down for a consistent operational experience between tubular locks, mortise locks and exit devices.
- Inside lever moves independently from the outside lever, making for a higher-end, less distracting environment.

Trim options

Available with the following roses.

B wrought rose
2 9/16" (65 mm) diameter

C wrought rose
2 5/8" (66 mm) diameter

Many of the LT chassis components are the exact same as, or very similar in design to, the Schlage L mortise lock. This design commonality allows for a near seamless feel between the two types of locks.

Specifications

Certifications:
ANSI/BHMA A156.2, Series 4000, Grade 2 tubular lock. Optional 20 minute UL fire rating.

Door range:
$1\,^3/_8$" - $1\,^3/_4$" standard , 2" available

Lachbolt:
$1\,^1/_8$" x $2\,^1/_4$" w/ $2\,^3/_4$" backset with square faceplate (default), optional 1" x $2\,^1/_4$" w/ $2\,^3/_8$" backset with square faceplate

Restoring latchbolt:
Yes, privacy function (automatically unlocks if door locked prior to closing)

Strike:
$1\,^1/_8$" x $2\,^3/_4$" w/ $1\,^1/_8$" lip length, square corner T-strike

Field-reversable handing:
Yes, all lever designs

Functions

LT10 - Passage
Both levers always free

LT10F - Passage
Fire rated

LT40 - Privacy
Inside lever always retracts latch. Outside lever free unless locked by push-pin from inside. Turning Inside handle, closing door, or utilizing emergency pin on outside unlocks outside lever.

LT40F - Privacy
Fire rated

LT170 - Single dummy trim
Dummy trim for one side of door. Used for door pull or as matching inactive trim

LT172 - Pair dummy trim
Dummy trim for both sides of the door

Non-standard door thickness

Specify 2" for extension kit for doors > $1\,^3/_4$" to 2" thick, extended equally

Latch options

THP-8201 - Passage latch
1" x $2\,^1/_4$" w/ $2\,^3/_8$" backset, square faceplate

THP-8201-F - Passage latch
Fire rated

THP-8219 - Privacy latch
1" x $2\,^1/_4$" w/ $2\,^3/_8$" backset

THP-8219-F - Privacy latch
Fire rated

Strike options

10-001 xx - T-strike
Square corner, $1\,^1/_8$" x $2\,^3/_4$", specify lip length (xx) as 1", $1\,^1/_4$", $1\,^1/_2$", $1\,^3/_4$" or 2"

10-004 - T-strike
Round corner ($^1/_4$" radius), $1\,^1/_8$" x $2\,^3/_4$" w/ $1\,^1/_8$" lip length

10-025 xx - ANSI strike
$1\,^1/_4$" x $4\,^7/_8$", specify lip length (xx) as $1\,^3/_{16}$", $1\,^3/_8$", or $1\,^1/_2$"

K510-066
Strike box for 10-025 ANSI strike

10-026 - Full lip strike
Square corner, $1\,^5/_8$" x $2\,^1/_4$" w/ $1\,^1/_8$" lip length

10-027 - Full lip strike
Round corner, $1\,^5/_8$" x $2\,^1/_4$" w/ $1\,^1/_8$" lip length

C603-623
Strike box for 10-026 or 10-027 full lip strike
