SCHONBEK BEYOND

Continuing a 150-year heritage of craftsmanship and cutting-edge design, Schonbek Beyond offers a stunning premium collection of all-LED luxury crystal luminaires.

With a contemporary twist on exquisite traditional design, Schonbek Beyond features modern, edgy motifs captured in fine, multifaceted crystal and a lustrous cavalcade of mixed metals that captivate the imagination.

Groundbreaking LED technology provides dramatic illumination to highlight the luminaire's distinctive silhouettes.

Welcome to a new era of luxury. Schonbek Beyond. Modern Masterpieces of Style and Artistry.

SCHONBEK
Beyond

OPTIC CRYSTAL

Modern advancements in the manufacture of optics used in telescopes have ushered in a new generation of crystal. Created to enhance internal light refraction, the Optic Crystal used in Schonbek luminaires catapults new designs into the future.

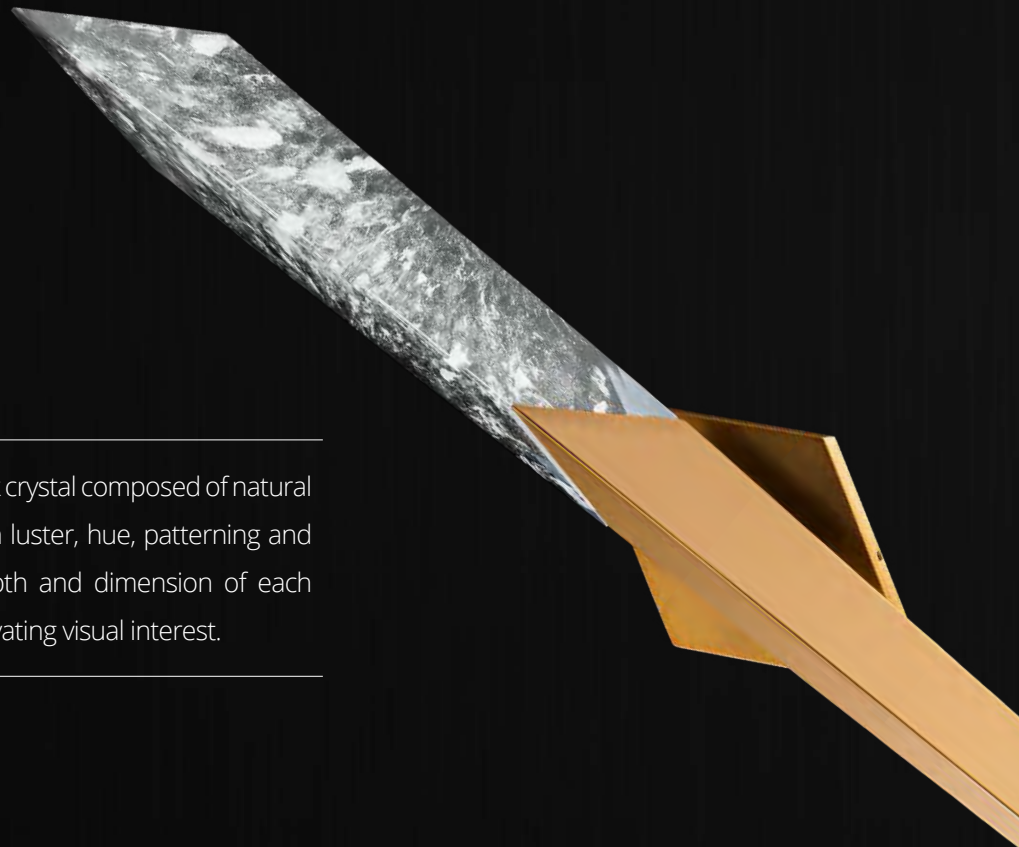

RADIANCE™ CRYSTAL DUST

Prismatic and enigmatic, Schonbek Radiance™ Crystal Dust is composed of tiny jewel-cut facets each sized, shaped and polished to shimmering perfection. Fabricated in Europe at the premier source for lead-free crystal, thousands of these brilliant gems embellish our lighting designs, casting luminous beams that dance and dazzle.

OPTIC HAZE™ CRYSTAL

Optic Haze™ is a distinctive Schonbek crystal composed of natural quartz featuring unique variations in luster, hue, patterning and texture. When illuminated, the depth and dimension of each crystal is accentuated, creating captivating visual interest.

RADIANCE™ CRYSTAL

Radiance™ by Schonbek is our finest crystal offering: it is free of flaws, engineered for optimal brilliance and characterized by optical purity. Fabricated in Europe at the premier source for lead-free crystal, our proprietary Radiance™ Crystal has more than double the number of jewel-cut facets compared to those mass-produced and imported from the East. Radiance™ casts a scintillating play of light that dances and dazzles.

CHANDELIERS

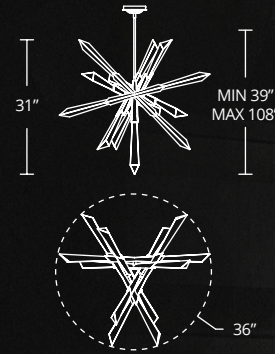

Hollywood glamour, dazzling symphonies and edgy motifs in fine multifaceted crystal captivate the sparkle of modern luminaires, all complemented with a glimmering cavalcade of mixed metals. The sculptural elegance of contemporary chandeliers creates an enduring aesthetic statement. These timeless masterpieces offer remarkable details to be enjoyed and admired.

SOLITUDE

A dramatic character that you can't help but fall in love with. The Solitude chandelier features Schonbek Optic Haze Crystal composed of natural quartz gemstone that illuminates and gravitates. Crystal spears juxtapose heroically with bolts of luminous energy.

- Optic Haze Crystal is engineered from organic quartz rock crystal quarried from the Earth. Traces of natural elements create unique variations in luster, hue, patterning and texture when illuminated.
- Each hand selected piece features unique variations
- Built-in adjustable 3000K / 3500K / 4000K color temperature switch within the canopy
- Three 12" and one 6" down rods included (additional sold separately)
- Hang straight swivel
- Thin canopy conceals a proprietary dual voltage 120V/277V driver
- Spin-on round canopy with minimal hardware
- Can be mounted on a sloped ceiling
- Dimmer: ELV, TRIAC

Finish

- AB: Aged Brass
- AN: Antique Nickel

BENEDICTION

Benediction is a subtle statement of calming elegance. A ring adorned with sprays of crystals reminiscent of stalactites in a cavern is illuminated generously from within with hidden LEDs. Unique and inspiring.

- Random crystal configurations create uniqueness to individual preference
- Built-in adjustable 3000K / 3500K / 4000K color temperature switch within the canopy
- Thin powered aircraft cables provide an ultra clean look for adjustable suspension height
- Thin canopy conceals a proprietary universal 120V-220V-277V driver
- Spin-on round canopy with minimal hardware
- Can be mounted on a sloped ceiling
- Dimmer: ELV, TRIAC, 0-10V

MARTINI

A shower of jewels. Suspended in mid-air, Schonbek Optic and Optic Haze Crystal elements composed of natural quartz gemstone illuminate at varying heights to entice. Cascading from above and perfectly designed for over breakfast tables or nightstands in a bedroom to make a powerful yet elegant statement.

- Optic Haze Crystal is engineered from organic quartz rock crystal quarried from the Earth. Traces of natural elements create unique variations in luster, hue, patterning and texture when illuminated.
- Built-in adjustable 3000K / 3500K / 4000K color temperature switch within the canopy
- Thin powered aircraft cables provide an ultra clean look for adjustable suspension height

SYNAPSE

Connect with the sculptural elegance of this modern crystal chandelier. Synapse features Schonbek Optic Haze Crystal composed of natural quartz gemstone. This exquisite 12 light chandelier is both current and luxurious. Hidden behind each crystal element, a high-tech LED illuminates generously for beautiful ambient illumination for all to see. A head-turner that will dazzle in entryways and other important spaces.

- Unique Optic Haze Crystal diffuser
- Each hand selected piece features unique variations

CORINTH

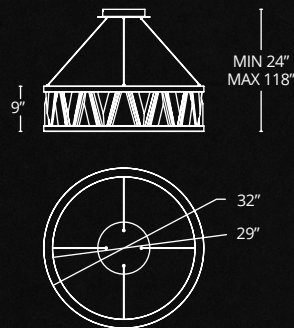

Adorned with large trillion-diamond shaped Schonbek Optic Haze Crystals composed of natural quartz gemstone. Corinth is a new statement on crystal. Hidden light sources and powered aircraft cables elevate a conservative profile with intrigue and technology. The solid double ring body is finished in crystal haze and deploys ambient up lighting.

BPD74232-AB

STRAPPED

Mixed materials devise a textured aesthetic. A single brilliant Optic Haze Crystal pendant suspended from leather strapping and chrome reflects light in all directions. The sparkle is enhanced by a crystal-encrusted canopy.

- Optic Haze is thoughtfully engineered from quartz rock crystal with traces of natural elements found on Earth. Each organic element illuminates beautifully to entice and radiate with its natural and unique, inherent variations in luster, hue, patterning and texture.
- Built-in adjustable 3000K / 3500K / 4000K color temperature switch within the canopy
- Thin canopy conceals a proprietary dual voltage 120V/277V driver and can be mounted on sloped ceiling
- Leather suspension belt can be trimmed to customized length
- Illuminated crystal haze accent on the canopy
- Dimmer: ELV, TRIAC

INDOOR SCONCES

Reimagine iconic abstract crystal designs with an exquisite touch of elegance that speaks directly to true luxury. Unique and sophisticated forms create comfortable ambient illumination throughout corridors and upscale spaces. Luxurious artisanal metals embrace sumptuous crystal elements for the finest in wall luminaires.

TRYST

A visual rendezvous creating a kiss of light. Optic Haze Crystal delivers mesmerizing LED illumination contrasted by rich dark leather, bringing focus to this partnership.

BWS27320-BK

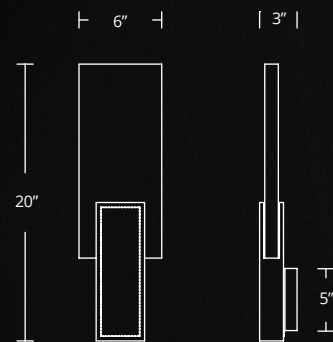

- Optic Haze Crystal is engineered from organic quartz rock crystal quarried from the Earth. Traces of natural elements create unique variations in luster, hue, patterning and texture when illuminated.

CARAT

Ravishing, multifaceted and as brilliant as an engagement ring. Thick Schonbek Optic Crystal creates an impressive textured glass inner shade embraced by a chiseled complementary frame. High quality LEDs deploy optimal ambient illumination.

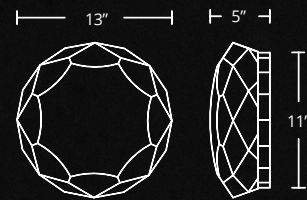

- Built-in adjustable 3000K / 3500K / 4000K color temperature switch within the canopy
- Thin canopy conceals a proprietary universal 120V-220V-277V driver
- Can be mounted on ceiling or wall in all orientations
- Dimmer: ELV, TRIAC, 0-10V
- Patent pending design

Finish

WHISPER

A chiseled luminaire offers a dimensional look for a luxurious aesthetic. Schonbek Optic Haze Crystal composed of natural quartz gemstone creates an elegant centerpiece for any room to complete a powerful architectural statement.

BFM39212-AB

- Optic Haze Crystal is engineered from organic quartz rock crystal quarried from the Earth. Traces of natural elements create unique variations in luster, hue, patterning and texture when illuminated.
- Each hand selected piece features unique variations
- Built-in adjustable 3000K / 3500K / 4000K color temperature switch
- Thin canopy conceals a proprietary universal 120V-220V-277V driver
- Can be mounted on ceiling or wall in all orientations
- Dimmer: ELV, TRIAC, 0-10V

EXTERIOR SCONCES

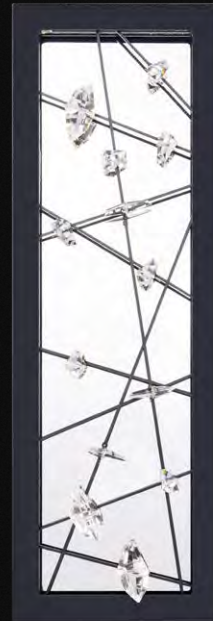

Elegance for the outdoors. Our exterior wall luminaires showcase sparkling crystal elements that twinkle like starlight as they reflect and refract illumination from hidden LEDs. These exquisite wall sconces bring a luxe aesthetic and long-lasting performance to upscale facades.

DREAMCATCHER

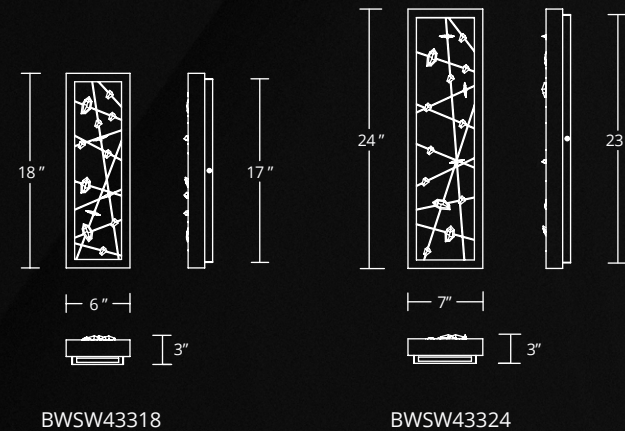

An abundance of crystal capturing and reflecting our dreams and desires. Sparkling illumination from LEDs held within the frame's confines is reflected and amplified, showering your space with shards of light.

- Uses specially formulated powder coat with Premium 316 Marine Grade stainless steel hardware to resist UV and coastal environmental conditions
- Built-in adjustable 3000K / 3500K / 4000K color temperature switch
- Thin canopy conceals a proprietary dual voltage 120V/277V driver
- Clip on swinging door to allow easy cleaning of interior
- Dimmer: ELV, TRIAC

RECESSED

Animate spaces with a sparkling play of light from our collection of luxury recessed lighting. Resplendent state-of-the-art LED illumination reflects, refracts and diffuses light from each Schonbek Radiance Crystal element in these exquisite ceiling luminaires, brilliantly enhancing spaces.

HIELO

An undulating arrangement of layered Schonbek Radiance Crystal prisms illuminated by LEDs create a play of light and energy within the crystal, releasing its fiery brilliance.

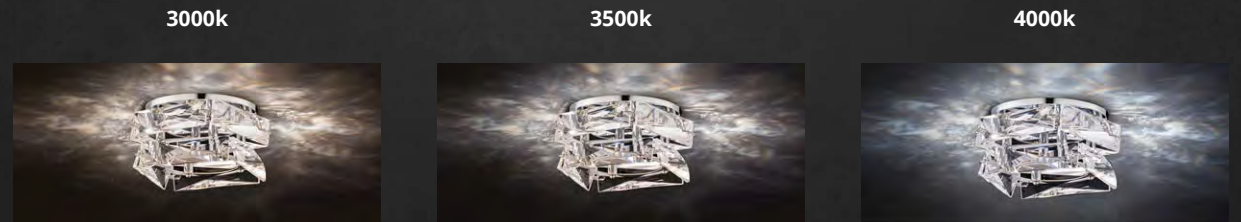

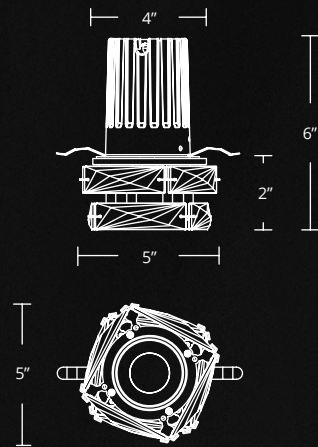

- Sold as New Construction, may be reconfigured in the field for Remodel
- Thin canopy conceals a proprietary universal 120V-240V driver
