# LED Pendants + Chandeliers

Many people have seen the cycle of design motifs through the decades, as well as the moments in history when fortune has favored the bold. We are always excited about each release of dweLED Pendants and Chandeliers to push the boundaries of both design and technology in order to bring you something truly original. Choose an artful statement piece for your hospitality entryway or bring life to your open kitchen designs.

# MARQUES

28" LED Pendant

“ Graceful and noble.  
Impossible to ignore. ”

- Omnidirectional diffuse illumination

# LED Bedside + Swing Arms

Reading a first edition novel in bed, illuminating works of art on a wall or just highlighting a console table. These all require specialized luminaires that can help illuminate your task spaces while subtly adding beautiful accent lighting into a space. dweLED Bedside and Swing Arm luminaires all provide full spectrum lighting to enhance the color pigments of your illuminated target. Flexible joints equipped with an on-board toggle switch allow you to adjust your task light and adapt to your specific needs.
