The image shows a kitchen interior featuring two 'Wentworth' pendant lights. The lights have a clear glass conical shade and a brass-colored metal top. They are suspended from a ceiling with recessed lighting. The background wall is covered in a marble-patterned backsplash. Below the lights are white kitchen cabinets with brass handles. To the left, there is a decorative tile backsplash with a floral pattern. In the background, there are arched doorways and a framed piece of art.

Wentworth

A mix of glass and metal in a streamlined silhouette is a look that always delivers in design. Here, the combination creates an airy fixture, perfect for those craving a sleek yet lively aesthetic. We love multiples of the Wentworth pendant as task lighting over a kitchen island. Available in Rubbed Brass, Matte Black, Polished Nickel, Brushed Nickel and Bronze Plate finishes.

Emily

Inspired by our popular Emily Sconce, with its slender silhouette, the Emily Chandelier expands the elegant design statement in one- and two-tier versions available in five to nine lights to suit larger living spaces. The subtly sophisticated style takes on a different look depending on the finish selected: Polished Nickel, Brushed Nickel, Rubbed Brass, and Matte Black.
