2024 JUNE SUPPLEMENT

A Message from our President:

At Z-Lite, we're committed to providing innovative lighting designs that will inspire your customers to update their living spaces all year long at prices they can comfortably afford.

In this June 2024 supplement, you will find 17 new collections with 340 SKUs covering every room in the home featuring styles that are on trend with interior designers and fashion-savvy consumers.

To underscore the message of fresh designs in your showroom, we continue to offer our popular Advantage Program, where twice a year you can exchange any unopened box of Z-Lite product for a different Z-Lite lighting fixture. This program allows you to update your Z-Lite product mix to reflect the macro and micro selling trends unique to your market area.

In addition, we are continuing to offer our Advantage customers one Free Freight Day per week to help offset the rising costs of doing business in these challenging times.

By taking advantage of these special Z-Lite incentives, you will be better able to compete for consumer business by bringing in new merchandise in an economical way that helps your bottom line.

As always, we highly value our relationships with our customers and look forward to your continued business in 2024 and beyond!

Best Regards,

Scott Zimmer
Founder & President.

Newbury

The Newbury linear fixture reinterprets the Modern Farmhouse aesthetic by adding leather strap fittings and an undulating design for the white ribbed glass shades in three shapes. The modern glass shapes and design – along with the finely detailed linear fixture – will fit into many design environments. It can be ordered in either a Matte Black or a Modern Gold finish.

Titus

The Titus series makes a bold fashion statement with tapered clear glass shades and tubular bulbs. Rings of light with the option to have the glass shade positioned up or down – along with multiple arm lengths to choose from – make this a versatile group that can be customized to many tastes. A complementary two-light wall sconce with up- and downward light will provide even illumination for make-up or grooming tasks when flanking a mirror. Titus wall fixtures can be ordered in a choice of Brushed Nickel, Matte Black, Chrome, and Modern Gold finishes; the hanging fixtures are available in Matte Black and Modern Gold.

Titus

The Titus series makes a bold fashion statement with tapered clear glass shades and tubular bulbs. Rings of light with the option to have the glass shade positioned up or down – along with multiple arm lengths to choose from – make this a versatile group that can be customized to many tastes. A complementary two-light wall sconce with up- and downward light will provide even illumination for make-up or grooming tasks when flanking a mirror. Titus wall fixtures can be ordered in a choice of Brushed Nickel, Matte Black, Chrome, and Modern Gold finishes; the hanging fixtures are available in Matte Black and Modern Gold.
